TRANSFERS (PREBOOKED)

All APT clients travelling on an Exclusive Sailing or Exclusive land tour receive a transfer on the first and last day of the tour. This will be from the airport to/from either the ship or tour hotel. A transfer is not included, though may be purchased, should you be arriving or departing on days other than the first and last day of touring. These additional transfers are only applicable when your pre and/or post tour arrangements are booked through APT.

ON YOUR OWN TRANSFERS

If you have independent travel arrangements prior to your APT tour and do not have an APT transfer, the Tourist Information office at your arrival city will be able to offer assistance with directions to the ship or hotel. If you transfer to the ship on your own, we recommend you call the ship prior to confirm the ships docking location (please see below for more information). The APT Europe Office is available in case of an emergency.
