HOTEL WELCOME DESK INFORMATION

For itineraries that include a touring night you will find a Welcome Desk located within the hotel, usually close to or in the lobby. This will be operated by the Cruise Director, or local host. They will provide information about the city, the daily program, suggestions for your free time plus the embarkation day information for the transfer from the hotel to the ship or the departure day transfer to the airport. The Welcome Desk will clearly display their operating hours. The desk functions for the duration of the regular scheduled stay only. It will not operate if you are arriving earlier, staying later and will not operate at all where the itinerary does not include a hotel stay (such as any pre or post stay accommodation you have booked).
