# Welcome

Wild, wide and wonderful, Australia and New Zealand continually excite and inspire. It doesn't matter how many mountains you've climbed or remote island shores you've visited, there's always a different creation story to be told or gallery of ancient rock art to be revealed.

We offer our respect and gratitude to the First Nations Australian, Torres Strait Islander and Māori custodians who have nurtured the land and its cultures for so many millennia, and who are now some of our most trusted partners in introducing them to a curious world.

Welcome Traveller,

This is your first step. Waiting for you within these pages are endless possibilities. In one moment, you could be dazzled by Bruce Munro's Field of Light, as 50,000 glass spheres slowly dim with the rising sun, only to reveal Uluru's grandeur in the distance. Then next, where the outback meets the tropics in Nitmiluk (Katherine) Gorge, jaunting from deep green pool to sandstone escarpment – your pathway to ancient Aboriginal rock art and enchanting Jawoyn stories will be revealed.

With AAT Kings, you'll go behind the scenes with the makers, it's what 100 years of expertise allows you to uncover. You won't want to leave small towns like Penguin, after being hosted by a fifth-generation Tasmanian farmer, tasting Mt Gnomon Farm's handcrafted produce from the heritage apple orchard. And, island life never tasted so sweet, as you meet Island Beehive's owner and advocate protector of the Ligurian Bee heritage, who will dish up samples of Kangaroo Island honey (and honey ice cream). These are remarkable experiences that many unknowingly pass by – those unexpected moments which are the memories you treasure the most.

We are, and always have been pioneers leading the way and pushing boundaries. Together with our extraordinary Travel Directors on the road, we're committed to worry-free and sustainable travel – making every single second of your journey remarkable.

Wherever you decide to roam, you'll be in good hands.

Sincerely,

Ben Hall

# 100+ Years of Adventure and many more to come

A century ago, the Australian outback was but a twinkle in most travellers' eyes. But thanks to visionaries like the Pyke family and Bill King, the way we explore the Land Down Under was about to change in unimaginable ways. Over the coming decades, maps were unfolded, desert cruisers and coaches were customised, and guides were trained. From humble beginnings, the company now known as AAT Kings was going places few had gone before, pioneering new paths across Australia and New Zealand and taking intrepid domestic and international travellers on a wild and wonderful ride.

No corner of the Antipodes was – or is – off-limits, from the remote reaches of the Kimberley and spiritual heartland of the Red Centre, to the untamed Milford Sound, bubbling thermal Rotorua and quiet shores of Tasmania. Not to mention in-depth journeys across Sydney and its surrounds, where this forward-thinking travel venture came to fruition all those years ago.

We've come a long way and clocked a few kilometres in the process. But some things will never change. Like our spirit for adventure. Our oh-so-knowledgeable Travel Directors. The local characters we meet (and will never forget) along the way. The epic, goosebump-inducing stories we're told by First Nations guides. The life-changing experiences on offer – the kind that only 100 years of exploring affords.

Now, we're just jumping into more waterfalls, finding ourselves humbled by more sacred sites, laying more footprints on deserted beaches and hiking through more tropical rainforests than ever before. And we've never been more passionate about our next discovery. Join us, and fall in love with Australia and New Zealand all over again.

but try and do it better" – Bill King***

# Australia, but not as you *know* it.

At a time when exclusivity is the world's greatest travel luxury, Australia ticks every box. It delivers every wide and wonderful landscape conceivable, from record-breaking canyons to soaring sacred monoliths; from tangles of rainforest to ribbons of reef. And in between await innumerable soul-stirring stories to hear, characters to meet, adventures to enjoy, meals to savour, and spirits to accompany. We've spent the last century perfecting a Holy Grail of life-changing moments around the country – ones you likely never knew even existed, and that you won't find in a guidebook or listed on any website. Our DNA has never changed – we are, and always have been pioneers committed to worry-free and sustainable travel, revealing Australia in a way that you never imagined possible.

## Amazing Experiences

We were built on pioneering spirit, and to this day our tours include adventures that few others experience. We're constantly looking for ways to make journeys extraordinary, whether that's remote night-sky gazing or lunch on a dairy farm. This is Australia, but not as you've ever seen it.

## Diverse Travel Styles

What you want from your holiday is not necessarily the same as your neighbour. Sometimes, it's about adventure. Often, it's a good glass of wine and a remarkable view. Perhaps you want to see major sights, or choose your own path while we handle the main roads. Whatever your destination and route, we have an itinerary for you.

## Conscious Travel

There are plenty of things we can all do while travelling to contribute to sustainable tourism practices. We've developed a series of tours with signature **MAKE TRAVEL MATTER®** Experiences – to ensure travel has a positive impact on our planet, the communities we visit and the wildlife we encounter.

## Worry-free Travel

Your wellbeing is our primary concern. In addition to elevated hygiene protocols, AAT Kings tours guarantee upgraded coach air-conditioning filtration systems. We only work with partners we know and trust, and our Travel Directors ensure everything runs smoothly, with a support team on call.

## Family Values

When you travel with AAT Kings, you're not only part of our century-old heritage, but are welcomed into just as many years of experience in The Travel Corporation. Journey confidently knowing our family-owned parent company has welcomed millions of people around the world across its brands.

Kings Canyon, Northern Territory

# Amazing Experiences

Over the last century, we've explored almost every corner of this wide and wonderful country. Needless to say, we've met a few characters along the way. These encounters have turned into enduring friendships that allow us to get beneath the skin of the destinations we take you to, offering only-locals-know adventures and insights that most other travellers will never even know existed. We take you places, and our passionate insiders – whether vintners, farmers, astronomers, chefs, historians or Aboriginal artists – reveal their true beauty.

## Fancy dinner under a billion stars? NT

This exclusive barbecue dinner is so close to Uluru you could almost touch it, the only one of its kind set under the Rock's towering shadow. With sparkling wine in hand, watch a kaleidoscope of colour as the sun sets and you dine on favourites from the grill. Enjoy dessert in the desert while the night sky lights up with billions of stars and your specialist AAT Kings Guide shares insights into the Southern Hemisphere's constellations.

## Farm-to-table freshness at Mt. Gnomon, TAS

If visiting the cutest-sounding town on the planet is on your bucket list, ensure this is included on your itinerary. The Mt. Gnomon Farm sits just outside Penguin in the north of Tasmania, and is the site where fifth-generation farmer Guy Robertson and his family have perfected centuries-worth of skills in cider orchards and gardens. Your farm-to-fork Be My Guest lunch amid this lush setting is like Tassie in a fresh and flavourful mouthful.

## Discover ancient culture and creativity, NT

Aboriginal artist and Katherine local Manuel Pamkal has been painting since he was 15. Today, he has more awards under his belt than he cares to admit, and he'll share his creative inspiration with you on his Top Didj Cultural Experience. You'll learn techniques behind different Aboriginal art styles, and hear about Manuel's life growing up near the King River – his childhood stories are humbling, inspiring and hilarious.

## A Cornucopia of Colour, SA

You'd be forgiven for thinking you'd been transported to Mars when flying over the Anna Creek Painted Hills, a smudge of fiery colours decorating a rocky outcrop popping from the South Australian desert. It's almost as otherworldly as the salt pans of Lake Eyre which – on miraculous occasions – fills with water and attracts all manner of birds. Both are aerial art of the most inspiring kind.

Mai Uluru La Ila (Uluru Barbecue Dinner)

Painted Hills Flight Experience, South Australia

## A Unique Australian Story, QLD

The Queensland outback is mesmerising in its vastness – long stretches of nothingness and then suddenly, Ray Station. This immense estate has been family owned since 1874, and offers a glimpse into life on the land, and the hardships (and hilarious moments) generations past faced here. There are plenty of stories to be had around the campfire before you bed down in the restored shearers' quarters.

Mount Gnomon Farm

## Connect your soul and spirit, WA

Just north of Perth, Yanchep National Park is a lush bush reserve and wetland known for its resident population of western grey kangaroos and rich birdlife. You'll discover this and more, from the perspective of an Noongar Aboriginal local, on a Cultural Tour – a rare chance to meet with Derek Nannup and see, in a new light, the land his elders have called home for tens of thousands of years. Wild, wide and wonderful, this is Australia in a gripping snapshot.

## 1 Welcome to Adelaide

At once cultured yet cool, Adelaide attracts foodies, historians and art aficionados in equal measure. Explore at your leisure, before meeting a local gourmand to tour the city's legendary Central Market. This place has been selling cheese, green ant gin and artisan bread for 140-plus years. **Hotel: Crowne Plaza. DW**

## 2 Adelaide – Flinders Ranges

One of Australia's oldest wine regions, the Clare Valley is all rounded hills, rippling vines and native forest. It's the postcard-perfect setting for historic Knappstein Enterprise Winery, producing sweet-scented rieslings and mineral-rich reds. The route north lands you at Hawker, the gateway to the Flinders Ranges. The best is yet to come, as you arrive at Wilpena Pound Resort in the shadows of a staggering natural amphitheatre. **Hotel: Wilpena Pound Resort. B DW**

## 3 Flinders Ranges – Port Augusta

The river red gums that envelop Hills Homestead will leave you lost for words. You get here on a leisurely walk along Wilpena Creek and continue to Wangarra Hill Lookout for views over the pound's peaks and curves. The drama is echoed as you climb to Pichi Richi Pass, then ease into Port Augusta. **Hotel: Majestic Oasis Apartments. B DW**

## 4 Port Augusta – Coober Pedy

The main attraction in Woomera is a former rocket-testing site, today stocked with disused rockets and missiles. Speaking of space, you'll think you've landed on the moon as you travel through sun-baked country to Coober Pedy, known as 'the opal capital of the world'. Things get deep as you travel underground to visit the town's head-scratching subterranean facilities. **Hotel: Desert Cave. B DW**

## 5 Coober Pedy – Uluru

Emerge from your cave and cross the border into the Northern Territory. Uluru-Kata Tjuta National Park has World Heritage status for a reason; under the gaze of the world's mightiest monolith, toast the end of the day with a glass of bubbles and a camera full of sunset photos. **Hotel: Desert Gardens, Ayers Rock Resort, 2 nights. B**

## 6 Uluru Sunrise – Kata Tjuta

Pre-dawn wake-up calls are worth it when you get to enjoy a Red Centre sunrise. Marvel at the majesty of Uluru as you circumnavigate its base or join a guided walk to Mutitjulu Waterhole. This landscape takes you back to the beginning of time, a sacred place among the Anangu people. More soul-salving landscapes await at Kata Tjuta, cool relief provided as you walk amid its domes to Walpa Gorge. **B**

## 7 Uluru – Kings Canyon

Another sunrise excursion awaits, with this morning's optional tour to the *Field of Light* – a blanket of 50,000 glowing bulbs. Next chance to stretch your legs is at Kings Creek Station, the largest exporter of wild camels in Australia. All your senses will be activated at Kings Canyon, 440-million years in the making. **Hotel: Kings Canyon Resort. B DW**

## 8 Kings Canyon – Alice Springs

Things are bigger in the NT outback, from the cattle stations to the MacDonnell Ranges, which stretch like a dinosaur spine toward Alice Springs. Aside from its plethora of Aboriginal galleries and art stores, Alice makes Australian history for her 1872 Telegraph Station, one of 12 along the Overland Telegraph Line between Adelaide and Darwin. **Hotel: DoubleTree by Hilton, 2 nights. B**

## 9 Alice Springs

Aboriginal culture is strong in Alice, as you'll fast find on a tour revealing the history of the Arrernte people. The other thing that's mighty is community spirit – it's essential when there are so few people scattered over such a vast area of land. Enter the Royal Flying Doctor Service, its base a museum that goes behind the scenes of the life-saving health services delivered to people in remote realms. One of the benefits of being this far-flung is the lack of light pollution. And at Earth Sanctuary World Nature Centre, this equates to epic stargazing. Your Be My Guest BBQ dinner here with the Falzon family is enlightening and uplifting. **B BG**

## 10 Alice Springs – Tennant Creek

1.3 million square kilometres – that's the eye-watering distance the School of Air's lessons are broadcast across daily. Watch a live session with children who would otherwise have no access to education. It doesn't matter how studious you are, you might just believe in aliens when you pass

Or wander palm-lined walkways to take a dip in the region's thermal springs. **Hotel: Contour. B DW**

#### 12 Katherine – Kakadu National Park

The Jawoyn have called Nitmiluk (Katherine) Gorge home for millennia. You can feel their presence as you cruise the waterway, home to more than a few resident crocs. You don't need binoculars to spot the sea eagles, brolgas and kingfishers; they're everywhere you look. **Hotel: Mercure Kakadu Crocodile, Jabiru. B DW**

#### 13 Kakadu – Darwin

Decisions, decisions: optional morning flight over Kakadu and Arnhem Land, or a sleep in. We vote for the former before you venture toward Ubirr and its ancient Aboriginal rock art. The night is yours in steamy Darwin, where the characters are as large as the shadows cast at sunset. **Hotel: DoubleTree by Hilton, 2 nights. B**

#### 14 Litchfield National Park

Nature rules today, your explorations into Litchfield National Park revealing magnetic termite mounds standing two metres tall. And then there are the waterfalls: Florence, for its dreamy cascades, and Wangi, where you can cool off in a crystal-clear waterhole. See the NT capital in a new light when you venture out on a Darwin Harbour Cruise, your champagne glass full to toast your last evening on this epic adventure. **B FD**

# Outback Safari

## Highlights

### Local Connection

Many Aussie kids live in such remote realms that they would have no access to education if it weren't for the School of the Air. Watch a live class.

### Insider Knowledge

Aside from being jam-packed with fish, Kakadu's Yellow Water Billabong boasts dramatic scenery. Cruise with a local guide – they know where the crocs hide.

### Cultural Immersion

Thirsty visitors have been leaving mementos on the walls of the Daly Waters Pub for 40+ years. Over a beer think about what you can contribute.

### Sustainable Footprints

MAKE TRAVEL MATTER EXPERIENCE Sleep soundly at Ayers Rock Resort knowing your stay is helping the Mutitjulu Foundation fund projects in health and education for Uluru's Aboriginal communities.

### Wildlife & Nature

There's nothing quite like cooling off under a waterfall, particularly when it drops from ridges shrouded in rainforest that drapes Litchfield National Park.

## 1 Welcome to Uluru

Today is one of colours. The ochre soil spiked with cycads as you come into land. The endless blue sky. The russet hues of Uluru... And that's all before the enchanting hour. Come sunset, the landscape changes with every click of your camera. If you can stop snapping, have a glass of bubbles and some nibbles with your fellow adventurers. **Hotel: Desert Gardens, Ayers Rock Resort, 2 nights.**

## 2 Uluru Sunrise – Kata Tjuta

If you're looking for a reason to roll out of bed before dawn, make it an Uluru sunrise. We're not saying it's better than the sunset. But rising with the birds certainly has benefits. Like being cool when you tour the base of the world's biggest monolith. A circumnavigation is 11 kilometres, if you're up for it. Or you can join a guided walk to Mutitjulu Waterhole, a sacred spot decorated with millennia-old Aboriginal rock paintings. Dive even deeper into First Nations traditions at the Uluru-Kata Tjuta Cultural Centre. Then wander through Kata Tjuta and Walpa Gorge, with more bubbles to serenade the day's end. **B**

## 3 Uluru – Kings Canyon

The only other reason to get up before dawn is to glimpse the Uluru Field of Light, a dazzling installation by British artist Bruce Munro that sees 50,000 stem-like globes blanket the Uluru soil. It's optional – we won't judge you for sleeping in, steeling yourself for today's adventures. But if you've come this far, it would be a shame to opt for shut-eye over eye-popping. Speaking of which, did you know Australia has the largest population of wild camels in the world, and Kings Creek Station, your next stop, is the largest exporter of these doe-eyed creatures? From here, the land eases into Kings Canyon, part of the immense Watarrka National Park. Views over the Red Centre are perspective-resetting. **Hotel: Kings Canyon Resort. B DW**

## 4 Kings Canyon – Alice Springs

Cattle stations are the size of small nations in the NT outback, as you'll discover on your journey toward Alice. The other 'big' thing in these parts is the MacDonnell Ranges, undulating across the red earth like

a serpent's spine. Back in 1872, Alice Springs was a hive of activity, as a Telegraph Station was built to connect Adelaide and Darwin as part of the Overland Telegraph Line. Sweat and tears went into the project, as you'll discover browsing the grounds-cum-museum. If you thought you were getting out of a sunset, think again – panoramas from Anzac Hill steal the scene. **Hotel: DoubleTree by Hilton, 2 nights. B**

## 5 Alice Springs

In remote parts of Australia, community is everything, whether to ensure stories of the Arrernte people are not forgotten, or to help those who need help. The passionate Royal Flying Doctor Service health workers commute hundreds of kilometres to provide aid. Their stories are at once uplifting and inspiring. End the day on a high at Earth Sanctuary World Nature Centre, where the Falzon family host a BBQ Be My Guest dinner under the stars. This is a lesson in off-the-grid, sustainable living. Let it inspire you to follow suit at home. **B BG**

## 6 Alice Springs – Tennant Creek

The whole of Peru covers 1.3 million square kilometres – the same size playing field that the School of the Air broadcasts daily classes to. Watch a live session with kids in some of Australia's most remote reaches, providing them with educational tools otherwise unavailable. Not on the curriculum? Aliens, although you will learn all about them passing through Wycliffe Well, also known as Australia's 'UFO capital'. Undeniably otherworldly are the precariously balanced boulders that characterise Karlu Karlu (Devils Marbles) and the landscapes surrounding gold-rich Tennant Creek. **Hotel: Bluestone Motor Inn. B DW**

## 7 Tennant Creek – Katherine

When you're not working hard in the Australian outback, you're having a lot of fun. Case in point the Daly Waters Historic Pub, where the food – schnitzels, burgers – comes second to the atmosphere. Follow the lead of those here before you and leave a memento to decorate the walls. If you were a fan of TV drama *We of the Never Never*, you'll recognise your next destination: the (replica) Elsey Homestead in Mataranka. Explore, or soak in the palm-shrouded thermal springs. **Hotel: Contour. B DW**

Kings Canyon Rim Walk

**8 Katherine – Kakadu National Park**

Cruising around Nitmiluk (Katherine) Gorge this morning is a humbling experience. You can almost feel the spirits yawning as they created this landscape on Jawoyn land, part of Nitmiluk National Park. A sprinkling of crocs, a flutter of rare birds. It takes your breath away. More wildlife lurks in Kakadu's Yellow Water Billabong, which is a mecca for sea eagles, brolgas and little kingfishers. **Hotel: Mercure Kakadu Crocodile, Jabiru. B DW**

**9 Kakadu – Darwin**

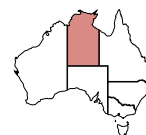

The best way to grasp the immensity of Kakadu and Arnhem Land? From the air, should you wish to take an optional flight. You won't regret it – perspective is always a good thing. Speaking of which, Ubirr's Aboriginal rock art dates back an eye-watering 20,000+ years. If it looks familiar, that's because it starred in classic Aussie movie, Crocodile Dundee. Get your Darwin bearings on a quick tour – we want to give you as much time as possible to enjoy a bite to eat at the Mindil Beach Sunset Market. **Hotel: DoubleTree by Hilton, 2 nights. B**

**10 Litchfield National Park**

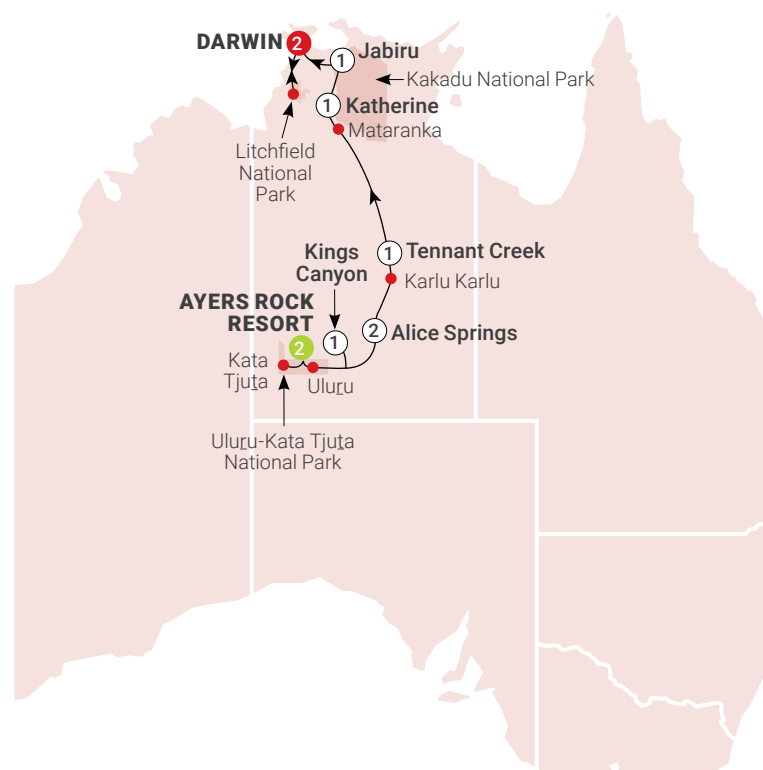

Think of today as dessert: the sweet finale to a decadent degustation. Travel deep into Litchfield National Park, pocked with 100-year-old, two-metre-high magnetic termite mounds. We're not sticking around though – Florence and Wangi falls await. Change into your swimming costume and take a dip in the gem-like waterholes. Darwin can get steamy, but you'll have wind in your sails as you cruise the harbour at sunset, enjoying one last toast to the NT. **B FD**

# Untamed Kimberley & West Coast

## Highlights

### Local Connection

Sandalwood is one of Kununurra's agricultural assets. Meet the passionate people who work with it and learn about the processing journey.

### Insider Knowledge

Cruising the Kimberley's Danggu (Geikie) Gorge is a humbling experience. Discover how it was formed and rely on your eagle-eyed guide to point out crocs.

### Cultural Immersion

The only way to understand life on the land is to visit a working farm. The Katherine Outback Experience is not only eye-opening, but entertaining.

### Sustainable Footprints

Sleep soundly knowing your stays at Karijini National Park's Eco Tents and El Questro's Emma Gorge Resort are not only stylish, but sustainable.

### Wildlife & Nature

The Ningaloo Coast has World Heritage status for good reason – it cradles one of the most biodiverse marine sanctuaries in Australia.

## 1 Welcome to Darwin

You'll fall for the capital of the NT; its balmy tropical climes, fiery sunsets and laid-back locals. Take in the sights on a tour, learning about the city's architectural style as well as the events that have shaped it over the years. **Hotel: Vibe Darwin Waterfront. DW**

## 2 Darwin – Katherine

Nature takes over at Nitmiluk National Park, where you cruise through dramatic Nitmiluk (Katherine) Gorge. There's no time to catch your breath – you're off to meet Tom Curtain on a working station, where he entertains through song and stories. **Hotel: Paraway Motel. B DW**

## 3 Katherine – Kununurra

Kununurra exists thanks to the Ord River Irrigation Scheme. The project not only helped water the countryside, but created Lake Argyle. You won't forget your sunset cruise. **Hotel: Kununurra Country Club Resort, 2 nights. B DW**

## 4 Kununurra

Today is one of decisions: An optional early-morning flight over (or 4WD tour of) the Bungle Bungles? Or a wander with your Travel Director through Mirima National Park. Regardless, enjoy sunset atop Kelly's Knob. **B**

## 5 Kununurra – Emma Gorge

Go behind the scenes at Hoochery Distillery, which not only makes lip-smacking rum, but also delicious rum cake. From here you're on the epic Gibb River Road to El Questro Wilderness Park, where an oasis of pandanus and palms envelops your safari-style accommodation. **Hotel: Emma Gorge Resort, Tented Cabin with private facilities, El Questro, 2 nights. B DW**

## 6 El Questro Wilderness Park

The Kimberley's sounds follow you across the mighty Pentecost River to freshwater Chamberlain Gorge, your boat dwarfed by its soaring escarpments while you cruise. Afternoon remedy? A splash in the pool, perhaps, or a dip in the waterhole within Emma Gorge. Take your pick. **B DW**

## 7 Emma Gorge – Halls Creek

While the Argyle Diamond Mine has stopped producing rare pink diamonds, you can still visit with an Aboriginal guide. Your destination for the night, Halls Creek is small in population, but big in personality. **Hotel: Kimberley. B L DW**

## 8 Halls Creek – Fitzroy Crossing

Dive deep into First Nations culture at the Aboriginal art gallery in Fitzroy Crossing, the gateway to Danggu (Geikie) Gorge. This remarkable part of the Kimberley was formed by the Fitzroy River carving the Napier Range. It's a fertile home for creatures big and small. **Hotel: Fitzroy River Lodge. B L DW**

## 9 Fitzroy Crossing – Broome

The reason Broome was born is because of pearls. Today, it's just as well known for its sizzling Indian Ocean sunsets, best enjoyed from the Cable Beach sand. **Hotel: Cable Beach Club Resort & Spa, 2 nights. B**

## 10 Broome Free Time

Today is yours to explore. Stay in town and shop for pearls, wander the coast on the lookout for dinosaur footprints, or venture further afield to glimpse some of the biggest tides in the world on an optional experience at Horizontal Falls. Fly over them, then cruise through them. **B DW**

## 11 Broome – Port Hedland

The eye-opening colours of the Pilbara are your backdrop today. It's sparsely populated, but there are plenty of local characters to meet over dinner in Port Hedland. **Hotel: Hedland. B DW**

## 12 Port Hedland – Karijini National Park

Karijini is where gorges seem to cleave off the edge of the Earth, waterfalls tumble from escarpments and turquoise rock pools shimmer like precious gems. You're hundreds of kilometres from anywhere, so expect dazzling stargazing from your safari tent. **Hotel: Karijini Eco Resort, 2 nights. B DW**

## 13 Karijini National Park

It took billions of years to create Karijini's geological wonders: the red layered cliffs, the quiet gorges, the soaring gum trees and distinctive termite mounds. Cooling off under waterfalls is highly recommended. **B DW**

## 14 Karijini National Park – Exmouth

There are a few (hundred) kilometres of Pilbara to cover between Karijini and Exmouth on the World Heritage listed Ningaloo Coast. This pocket of the state is also blessed with Cape Range National Park, where gorges and waterfalls beckon. **Hotel: Mantarays Ningaloo Beach Resort, 2 nights. B DW**

Or simply enjoy Broome's tropical climes, strolling along 22-kilometre Cable Beach, hunting for dinosaur footprints and browsing boutiques. **B DW**

## 3 Broome – Port Hedland

At first glimpse of the Pilbara, you may well think you've been transported to Mars. The soil couldn't get any redder, the skies any wider, the rock formations any more dramatic, much of the countryside streaked with mineral deposits. People are few and far between until you reach the town of Port Hedland. There are plenty of local characters to meet over dinner at your hotel, which gets busy when musicians begin to play.

**Hotel: Hedland. B DW**

Love at first sight? It's likely to happen at Karijini National Park. This is nature amplified, a place of immense gorges and deep, dark chasms; waterfalls and gem-like rock pools. This red slice of the Hamersley Range is a magnet for nature lovers, not only for the earthly delights but also the creatures that call the cliffs home. You're hundreds of kilometres from the nearest town, so expect dazzling stargazing from your safari tent. **Hotel: Karijini Eco Retreat, 2 nights. B DW**

Things get hot here – why not dive in? **B DW**

## 6 Karijini National Park – Exmouth

It's an epic commute across the Pilbara from inland Karijini to Exmouth on the World Heritage listed Ningaloo Coast. While you're driving, dream about all the marine creatures that await in Ningaloo Reef. ## 7 Exmouth Free Time

Steel yourself for a few 'pinch-me' moments today. You could choose to snorkel (with an ethical operator) over Ningaloo Reef. Try a tasting paddle to get your heart started or sit down to a slice of rum cake – morning tea sorted. The Gibb River Road is the stuff road trip legends are made of. You'll see why, your route to El Questro Wilderness Park covering a few kilometres of the epic expanse. Now exhale – your safari-style tents for the night are surrounded by an oasis of pandanus and palms. **Hotel: Emma Gorge Resort, Tented Cabin with private facilities, El Questro, 2 nights. B DW**

## 6 El Questro Wilderness Park

The best way to wake up? With the sun streaming through your tent, wildlife all around. The Kimberley's sounds follow you across the mighty Pentecost River, a mecca for those who love a spot of barramundi fishing. Arriving at Chamberlain Gorge, an enormous fresh waterhole, your cruise chariot awaits. Jump aboard to feel very small indeed, your boat dwarfed by soaring 65-metre escarpments. When it's time to cool down, take an afternoon dip, whether in the resort pool or at a waterhole within Emma Gorge. Take your pick. **B DW**

## 7 Emma Gorge – Halls Creek

Until recently, the Argyle Diamond Mine was the world's largest producer of rare, and dazzling, pink diamonds. While operations have ceased, you can still visit and go behind the scenes. Your Aboriginal guide will not only point out where the magic once happened, but also explain the significance of this land. Equally important to Aboriginal communities is the Great Sandy Desert, which Halls Gap perches on the edge of. This place is small in population, but big in personality. **Hotel: Kimberley. B L DW**

### 🌿 Sustainable Footprints

Your visit contributes to National Parks and Wildlife, protecting Tasmania's wilderness including the Franklin-Gordon Rivers.

### 🦋 Wildlife & Nature

Carved by ice during glaciations over the last two million years, Lake St Clair is the deepest of its kind in Australia. Added bonus – it's surrounded by World Heritage listed Franklin-Gordon Wild Rivers National Park.

## 1 Welcome to Hobart

The Tasmanian capital packs a lot of punch into such a small perimeter, from restaurants that garner global praise to moody wine bars, eye-opening galleries, waterside walks and character-filled historic precincts. Explore at your leisure before meeting the adventurous souls who will keep you company over the next week. **Hotel: Grand Chancellor, 2 nights. DW**

## 2 Salamanca Market and City Sights

Three hundred – that's the number of stalls you'll navigate this morning at Hobart's mighty Salamanca Market. Get your heart started sampling gin and whisky, or order a coffee and bulging burger and pick up made-in-Tasmania arts and crafts. The precinct, amid historic sandstone buildings, is almost as pretty as the produce. This afternoon you'll see what makes Hobart tick, from the leafy Botanical Gardens to historic Battery Point and Cascade Brewery. It all fits neatly together when you get some perspective from the lofty Mt. Nelson Lookout, gazing over the River Derwent, all the way to Bruny Island in the south. **B**

## 3 Hobart – Strahan

The West Coast of Tassie is wild – in the best possible way. The air seems cleaner, the lakes cooler, the colours brighter, the waterfalls larger... as you'll discover when the mist envelops you at tiered Russell Falls. This is part of Mt. Field National Park, the state's most diverse nature reserve. Speaking of breaking records, Lake St. Clair is the deepest of its kind in Australia, carved by ice during glaciations over the last two million years. Pausing here puts life into perspective. Skirt the World Heritage listed Franklin-Gordon Wild Rivers National Park, characterised by soaring Huon pines, before arriving in Strahan. Small in population but big in personality, the town overlooks the immense Macquarie Harbour. Did you know it's seven times the size of Sydney Harbour? **Hotel: Strahan Village. B DW**

## 4 Strahan – Cradle Mountain

Today's watery welcome is the deep, dark Gordon River, its expanse coloured by tannins from button grass. Soak up the silence of this untouched wilderness area on a cruise out to Sarah Island, a former penal settlement – Tassie's oldest – where convicts laboured under harsh conditions felling pines for boat-building. The haunting ruins that

remain have been reclaimed by the rainforest, telling a chilling story of life on the land. As do mining towns Rosebery and Tullah, enveloped by dense forest and volcanic mountains. This is your backdrop en route to immense Cradle Mountain-Lake St. Clair National Park, a mecca for some of Australia's most elusive wildlife: keep watch for Tasmanian devils and platypuses. **Hotel: Cradle Mountain, 2 nights. B L DW**

## 5 Cradle Mountain

Cradle Mountain has not always been pristine – it owes much of its protected status to early settlers Gustav and Kate Weindorfer, who were pivotal in championing the conservation of the area. Their efforts are remembered at Waldheim Chalet, their former home, set among myrtles and King Billy pines that gradually give way to moss-covered ancient rainforests and deep river gorges, snow-tipped peaks and wild alpine moorlands. This is the heart of the Tasmanian Wilderness World Heritage Area, carved by glacial waterways like Dove Lake. You can see why Bennetts wallabies, echidnas, wombats and pademelons live here – you, too, will find it hard to tear yourself away. If you're a night person, consider enlisting to spot Tassie's nocturnal animals, whether at a devil sanctuary or in the wild. **B DW**

## 6 Cradle Mountain – Launceston

Bring your appetite – today you'll try some of the state's standout produce. First stop is Hellyers Road Whisky Distillery. Tasmanian tipples – whether whisky or gin – take home global awards for good reason. Steel yourself for the ciders fermented at Mount Gnomon Farm, in the hills overlooking the petite town of Penguin. If there's an Australian destination with a cuter name, we're yet to find it. Here, passionate farmer Guy Robertson will pour brews made from apples grown in his orchard, before you sit down to a farm-to-table Be My Guest lunch. Then you're on your way to quirky Sheffield, the 'Town of Murals', before travelling through the Meander Valley to Launceston. **Hotel: Grand Chancellor. B BG**

Then taste the wares, whether in lavender ice-cream or honey made from the 500,000 very happy bees that live here. Moving moments await at Legerwood Carved Memorial Trees, an avenue of sculpted trees, carved in homage of fallen WWI soldiers. It's a poignant reminder of just how privileged we are to have Tasmania's scene-stealing landscapes to gaze over today. ## 3 Freycinet National Park & Wineglass Bay Cruise

Embarking on your Freycinet adventure, you may think someone has taken the glasses off your nose and cleaned them for the first time. The towering Hazards Range that backdrops your base gleams pink in the morning sunshine. Fun fact: the prized granite here was used to build the foyer of New York's Empire State Building. The brilliant blue ocean curves into coves dusted with golden sand. And dusty greens patchwork Cape Tourville's virgin eucalypt forest, stretching as far as the eye can see. Amid it all is Wineglass Bay, a gem-like crescent with gin-clear water. Rest up – you're taking this in over a lunchtime cruise. **Hotel: Eastcoaster Tasmania. B L DW**

## 4 Triabunna – Hobart

Freestone Point was once home to the world's largest wood chip mill, built on the unceded lands of the Paredarerme people. It's had a philosophy change, and is now intent on charting a sustainable path. Today's onward journey takes you to Hobart, but before you arrive in the Tasmanian capital, you're treated to a Welcome to Country by the Traditional Owners of Oyster Bay. If you thought the industrial setting is beyond repair, wait till you see the organic gardens – help horticulturalists propagate seeds that will be returned to the mill's grounds. Richmond impresses in a different way – this historic town is like stepping back in time. **Hotel: Grand Chancellor (Harbour View Room), 3 nights. B**

## 5 Port Arthur Historic Site

Isle of the Dead, Pirate's Bay Lookout, Devil's Kitchen... the attractions around Port Arthur Historic Site give away the region's grim convict heritage. But don't be put off by the colourful names; the rolling green countryside, rugged cliffs and dramatic rock formations make this one of the most postcard-perfect pockets of the state. Explore what remains of the World Heritage Site with a historian – they know all the secrets that took place behind these walls – then enjoy a different perspective from the water on a scenic cruise. Tonight is at your leisure. We can recommend any number of stellar restaurants and wine bars to while away the evening in. **B**

#### **1 Sydney – Canberra**

As hard as it is to say goodbye to Sydney, it's just as easy to say hello to the Southern Highlands. South of the 'Harbour City', the bucolic countryside of Berrima awaits – fun fact: this is the oldest Georgian village in Australia. Further on, you're welcomed to Gold Creek Station by sheep farmer Craig Starr for a Be My Guest BBQ lunch and tales about life on the land. Onward to the country's cool little capital, home to Parliament House, where you'll go behind the political scenes, as well as the Australian War Memorial. Hearing the Last Post is a moving experience. **Hotel: Crowne Plaza. BG DW**

#### **2 Canberra – Wangaratta**

Get some Canberra perspective from the summit of Mt. Ainslie. You won't be able to see the Murray River, but you'll soon cross it en route to Beechworth, Victoria's best-preserved gold rush town. We'll give you the Beechworth lowdown, then set you on your way to explore character-filled antiques stores, galleries and museums at your leisure. There are plenty of charming places to refuel, as well, before Wangaratta's cathedrals beckon. **Hotel: Quality. B**

#### **3 Wangaratta – Melbourne**

Meandering south toward historic Glenrowan, you're well and truly in Ned Kelly country – this is where the infamous bushranger and his gang were finally captured in 1880. We'll tell you all the tales, then a few more about Melbourne, the home of Aussie rules football, some of the country's best arts institutions, and a swag of stellar restaurants, cafés and bars. The Great Ocean Road is one of the world's most epic journeys, a dramatic 240-kilometre union of limestone stacks (Twelve Apostles, we're looking at you), World Heritage listed rainforest, untouched coastal coves and sleepy towns, like Lorne and Apollo Bay. It's hard to know where to point your camera. We recommend having it poised to snap shots of the Loch Ard Gorge and London Bridge rock formations. It doesn't get any better than this. **Hotel: Deep Blue Hotel & Hot Springs. B DW**

#### **6 Warrnambool – Naracoorte**

Emus, kangaroos, koalas, echidnas... These are just some of the animals you'll likely spot visiting Tower Hill Wildlife Reserve – housed in a dormant volcanic crater – with an Aboriginal guide. Remarkably, this pocket of paradise was once wasteland, transformed by volunteers. More volcanic history awaits across the South Australian border in Mt. Gambier, home to the crater-filling Blue Lake. By now you'll be pretty thirsty, so it's a good thing the Coonawarra wine region is around the corner. After a few sips, you may find yourself getting deep – literally. Naracoorte's Alexandra Cave is a maze of delicate needle-like stalactites and massive twisting columns. **Hotel: William MacIntosh Motor Lodge. B DW**

#### **7 Naracoorte – Kangaroo Island**

The Fleurieu Peninsula is a natural adventure playground, all rolling hills, rugged clifftops and sandy beaches. Seaside Victor Harbor turns on the charms – there are steam locomotives – before your ferry blasts its horn. All aboard for Kangaroo Island. ## Highlights

### Local Connection

Mike established Kangaroo Island Brewery in 2015, and loves talking to guests about the flavours distinguishing his beers.

### Insider Knowledge

Who better to guide you around a Barossa vineyard than a local wine aficionado? You'll be an expert in no time.

### Cultural Immersion

MAKE TRAVEL MATTER EXPERIENCE Tower Hill is a spiritual place, its Aboriginal significance revealed by in-the-know guides. Koalas, emus and kangaroos are a bonus.

### Sustainable Footprints

MAKE TRAVEL MATTER EXPERIENCE Support bushfire and wildlife rehabilitation projects on Kangaroo Island when you visit Hanson Bay Wildlife Sanctuary.

### Wildlife & Nature

The underworld beckons at Naracoorte's Alexandra Cave, a maze of delicate needle-like stalactites and massive twisting columns.

As this holiday departs at 7.30am from the Crowne Plaza Melbourne, accommodation will need to be pre-booked for the previous night.

#### 1 Melbourne – Warrnambool

Want an adventure that starts with a bang? This is it. You're on your way to the Great Ocean Road, a snaking coastal route that is one of the world's most epic journeys. Across a dramatic 240 kilometres you'll take in limestone stacks like the Twelve Apostles, Loch Ard Gorge and London Bridge. Then traverse through World Heritage listed rainforest, skirting untouched coastal coves, and pausing in sleepy towns like Lorne and Apollo Bay, where bare feet and boardshorts are the dress code. **Hotel: Deep Blue Hotel & Hot Springs. DW**

#### 2 Warrnambool – Naracoorte

The south's volcanic history bubbles to the surface at Tower Hill Wildlife Reserve, an immense natural wonder spanning a dormant volcanic crater. You'll learn about the area's flora and fauna – emus, kangaroos, koalas and echidnas – with an Aboriginal guide. More volcanic history awaits across the South Australian border in Mt. Gambier, home to the crater-filling Blue Lake. Bring your sunglasses, because the lake's name doesn't do it justice – the intensity of the hue is blinding. By now you'll be pretty thirsty, so it's a good thing the Coonawarra wine region is around the corner. Fancy a world-class cab sav, shiraz or merlot? You've come to the right place. Your final adventure is deep, in every sense of the word. Naracoorte's Alexandra Cave is a maze of delicate needle-like stalactites and massive twisting columns. **Hotel: William MacIntosh Motor Lodge. B DW**

#### 3 Naracoorte – Kangaroo Island

Nature rules large again today as you weave along the Fleurieu Peninsula to Victor Harbor. After rolling hills, sandy beaches and rugged cliffs, you're greeted with the charms of this seaside town – the gateway to Kangaroo Island. All aboard the ferry for your journey toward this 'mini Galapagos'. Kangaroo Island deserves its moniker, as you'll discover tomorrow. But today, all you have to do is ease into the island with a tasting of craft beers at Kangaroo Island's only brewery. How does a Limestone Road Pale Ale sound? **Hotel: Aurora Ozone, 2 nights. B DW**

#### 4 Kangaroo Island

First stop today truly deserves its name: the orange-lichen-clad Remarkable Rocks command your attention over the blazing blue of the Southern Ocean. Then there's Admirals Arch, home to an immense colony of raucous fur seals and a very photogenic lighthouse. Like much of the island, AAT Kings-sponsored Hanson Bay Wildlife Sanctuary was badly damaged by the 2019 bushfires. On your visit, you'll discover the role that fire plays within this delicate ecosystem, and how koalas and other wildlife adapt to their environment. More wildlife greets you at Seal Bay Conservation Park. Move aside: enormous sea lions regularly barrel down the sand toward the water. **B L**

#### 5 Kangaroo Island – Adelaide

On your cruise back to the mainland, picture some of the culinary opportunities that await in the South Australian capital. Adelaide is known as the 'city of churches', but we think a more apt title is the 'city of cuisine'. The afternoon is yours to see just how many restaurants and bars you can sample. Want recommendations? We might point you in the direction of the epic Central Market, the largest of its kind in the Southern Hemisphere with more than 70 stalls selling artisan edibles (and drinkables). **Hotel: Crowne Plaza, 2 nights. B**

#### 6 Adelaide Hills & The Barossa

Now that you have a taste for South Australian produce, take a deep dive on today's adventure through the Adelaide Hills and the Barossa, dotted with atmospheric towns like Hahndorf, Australia's oldest surviving German settlement. Wander down its tree-lined streets and take time to explore the quaint shops. Wining and dining dominate the landscape, with some of the country's oldest grape vines planted across this pocket of the state. Discover local flavours at the South Australian Company Store, followed by a visit to a popular local vineyard for a wine tour and tasting in neighbouring Barossa. Return to Adelaide through landscape dotted with stone cottages and olive groves to join your Travel Director for a Farewell Dinner at Koomo, Adelaide's highest restaurant, for a Japanese inspired feast. **B L FD**

## Highlights

### 🔗 Local Connection

Crisp air, blue skies, the melody of sheep... there's nothing like being on a 400-hectare working farm. Meet Craig Starr and his family for a BBQ and a yarn or two.

### 🕒 Insider Knowledge

The Australian capital holds some of the country's greatest stories, whether of politics at Parliament House (your guide knows the secrets) or history at the humbling War Memorial.

### 🏡 Cultural Immersion

Gold rush towns always come with stories about infamous bush rangers and love scandals. Hear them when you arrive in historic Beechworth.

### 🦋 Wildlife & Nature

More than 32,000 little penguins live around Phillip Island, and some 4,000 of them pitter patter from the sea to their sandy burrows every evening. Say goodnight.

As this holiday departs at 7.30am from the Vibe Hotel Sydney, accommodation will need to be pre-booked for the previous night.

#### ① Sydney – Canberra

It's hard to believe that just 1.5 hours from Sydney lies a patch of countryside that could have been transplanted straight from the English Cotswolds. Think atmospheric villages amid rolling hills of grape vines – the Southern Highlands is the closest wine region to Australia's largest city, after all. And then there are the grand gardens and emerald farms, one of which you'll visit to meet Craig Starr and his family. Gold Creek Station farm is your backdrop for a Be My Guest BBQ lunch and tales about life on the land. This is your entrée to the country's cool little capital of Canberra, home to Parliament House, where you'll go behind the political scenes, as well as the Australian War Memorial. Hearing the Last Post is a moving experience. **Hotel: Crowne Plaza. BG DW**

#### ② Canberra – Wangaratta

Thanks to architect Walter Burley Griffin, Canberra is an urban planner's delight – the city is that well laid out, as you'll discover when you head to the summit of Mt. Ainslie for panoramic views. You won't yet be able to see the Murray River, but you'll soon cross it en route to Beechworth. From Australia's longest river to Victoria's best-preserved gold rush town, Beechworth saw an influx of fortune-seekers during the 1850s. Your Travel Director will give you the Beechworth lowdown, then set you on your way to explore character-filled antiques stores, galleries, leafy parks and gardens, and museums at your leisure. There are plenty of charming cafés and restaurants to refuel in as well, before Wangaratta's cathedrals beckon. **Hotel: Quality. B**

#### ③ Wangaratta – Melbourne

Meandering south toward historic Glenrowan, you're well and truly in Ned Kelly country – this is where the infamous bushranger and his gang were finally captured in 1880. The story is remembered on pretty much every city corner, whether in enormous statues or at the museum. We'll tell you all the tales – some of them true, many of them heresay. All of them entertaining. Then we'll tell you a bit more about Melbourne, like how it's the home of Aussie rules football, covets some of the country's

best arts institutions, and has a swag of stellar restaurants, cafés and bars. Small wonder it's known as Australia's cultural, culinary and sporting capital. Once you have your bearings after a city tour, head off to explore. Forget your map – one of the joys of being in Melbourne is getting lost. Discovering a hidden jazz bar. Stumbling upon a hole-in-the-wall restaurant. Finding a gallery that catches your eye. Enjoy. **Hotel: Crowne Plaza, 2 nights. B**

#### ④ Melbourne Free Time

You could spend weeks exploring Melbourne and its surrounds and not tire of the attractions. But you just have today, so make the most of it. We wouldn't hold it against you if all you want to do is jump on a tram and ride the rails to the city's character-filled neighbourhoods. But if you want to explore further afield, we've got you covered on an optional experience. For a bird's-eye view of the bay, sign up to scale the Eureka Skydeck, offering dizzying vistas in every direction. Animal lover? Venture to Phillip Island to see hundreds of little penguins pad along the sand en route to their burrows. Want to get back to nature? Chug through the lush Dandenong Ranges on the Puffing Billy Steam Train, followed by a sip or two of wine in the Yarra Valley. The choice is yours. **B**

# Queensland Spirit: Heart of the Outback

## Highlights

### 🔗 Local Connection

Roma Explorers Inn comes with plenty of country swagger. And standout cuisine hero-ing local produce. Dig in!

### 🗨️ Insider Knowledge

You'll feel positively sprightly going behind the scenes at the Australian Age of Dinosaurs Museum, discovering the region's prehistoric giants.

### 🏠 Cultural Immersion

Working stations in this part of the world are as big as they are remote. In short, the ideal places to learn about life in the Queensland outback. Oh the stories farmers will tell.

### 🌿 Sustainable Footprints

Sleep soundly under the canvas of your glamping tent at Mitchell Grass Retreat, knowing you're treading lightly on the land at this eco-resort.

### 🦁 Wildlife & Nature

The Queensland outback is mesmerising, its vast, empty stretches of road creating a hypnotic backdrop to your adventure through the state.

As this holiday departs at 8.00am from Grand Chancellor Hotel, accommodation will need to be pre-booked for the previous night.

#### 1 Brisbane – Roma

It doesn't take long for the towers of Brisbane to give way to bucolic countryside, fading from rainforest to the vivid hues of the outback. Small in population but big in personality, Chinchilla is the first chance to stretch your legs. The 'Big Watermelon' hints to the fact this is the melon capital of Australia. Grab a slice, or a heartier bite to eat, at the historic Club Hotel (fun fact: it's the only hotel in town that hasn't burnt down) before you journey on to ravishing Roma. The horizons here extend for days, only matched in expanse by the smiles of locals – expect plenty of country hospitality. Toast the end of the day over a glass of wine and regional fare at your Welcome Reception. **Hotel: Roma Explorers Inn. DW**

#### 2 Roma – Quilpie

The further west you travel in Queensland, the slower the outback lifestyle. As evidenced in Charleville, which is a slice of natural paradise for the endangered bilbies and wetland birds. The locals will happily reveal the best places to spot wildlife, ideally over a cold beer and a pub meal at heritage listed Hotel Coronas. The stories that get told here... The countryside onward to Quilpie is mesmerising – long stretches of road and vast expanses of nothing can be humbling. And welcoming, as you'll discover when Mark and Sandra throw open the doors of Ray Station. The family has owned this estate since 1874 and designed the rooms you'll bed down in – set in restored shearers' quarters. But before then, there's a campfire dinner and tunes on the tin piano to be enjoyed. **Hotel: Ray Station, 2 nights. B DW**

#### 3 Ray Station, Quilpie

There's something about being in the country that whets your appetite. Wake, and look forward to a delicious breakfast prepared by your hosts. You won't go hungry here – they're also thinking about what to cook you for lunch and dinner. It's this kind of generosity that flows naturally into eye-opening, and entertaining, stories about the property, including previous caretakers, and how they tended the land. You can even discover more about their fascinating history: at the family cemetery. Head out on a tour, fossick for boulder opal, and revel in the vastness of Quilpie. **B L DW**

#### 4 Quilpie – Longreach

If you're looking for the centre of Queensland, Longreach is pretty much it. After waving goodbye to station life, you're bound for this patch of outback perfection, all red dirt and spinifex and blazing sunsets. There are detours aplenty in this country town, like visiting the Qantas Founders Museum, which pays homage to the fact this is the spiritual heart of Australia's national airline. If the idea of glimpsing 100+ years of aviation history gets your pulse racing, then the vast swathes of nature that surround your glamping tent for the night will slow it down. Switch off, relax and enjoy your eco-friendly cocoon, replete with creature comforts including air-conditioning, ensuites and dreamy beds. There's also a kitchenette, so you can enjoy a BBQ on your private deck. Or venture out for more country flavour at an optional experience outback dinner and show. **Hotel: Mitchell Grass Retreat, 2 nights. B**

#### 5 Longreach – Winton – Longreach

For a petite town, there's an impressive number of things to do in Winton. The biggest attraction of all are the dinosaurs that once roamed here, leaving behind the country's largest collection of dinosaur fossils. Follow in their (large) footsteps at the Australian Age of Dinosaurs, part museum, part working laboratory, where you'll go behind the scenes. Winton's other claim to fame is the fact Banjo Patterson wrote 'Waltzing Matilda' here in 1903. He's not the only creative drawn to town. Graeme Leak created a fence that can be played as an instrument (aka the Musical Fence), and Arno Grotjahn erected a quirky art wall studded with every household object imaginable. The unexpected stories continue at Camden Park Station, a 7,300-hectare sheep and cattle station where fifth-generation farmer 'Outback Dan' will tell you about life on the land... including the visit of Queen Elizabeth and Prince Philip. They didn't have a three-course dinner awaiting them in historic shearing shed; you do. **B DW**

#### 6 Longreach – Spirit of the Outback – Brisbane

Australia has its fair share of epic outback train tours that let you witness the wild beauty of a region while travelling the historic routes taken by past generations. Among them is Spirit of the Outback, your chariot back to Brisbane on the last leg of your adventure. Exclusive access to the train's Shearers Rest Lounge means you can enjoy a glass of bubbles while

### Smithy's Outback Dinner & Show

That free evening on day 4? How better spent than enjoying a camp-oven dinner beside the river in Longreach. Enjoy drinks at sundown before sitting down to a two-course meal. As tasty as the food is, this experience is all about the entertainment, with Smithy's crew entertaining with songs and stories that speak to the soul of the Queensland outback. ## 4 Kakadu National Park

Kakadu is vast, spanning almost 20,000 square kilometres. The best way to gain appreciation for just how immense it really is from the air on an optional (but highly recommended) morning flight. Now that you have your bearings, take to the land to discover ancient Aboriginal rock art and cruise the wildlife-packed Yellow Water Billabong to search for enormous saltwater crocs – your eagle-eyed guide knows where to look. End your day on a high, watching the sun set over floodplains. **B**

## 5 Kakadu – Katherine

From one glorious national park to another... today's backdrop is the end-of-Earth escarpments of Nitmiluk National Park, carved by rivers millions of years ago. Cruising through Nitmiluk (Katherine) Gorge is a humbling experience even before you know the region's history. Small wonder freshwater crocs and all manner of birds call the cavern home. **Hotel: Contour. B D**

## 6 Katherine – Tennant Creek

If the Elsey Homestead looks familiar, that's because it starred in the 1982 Aussie drama *We of the Never Never*. Today it's better known for its Mataranka thermal hot springs. Pop on your swimsuit and have a soothing soak, the magical setting surrounded by palms. The only thing more refreshing is a cold beverage at the Daly Waters Pub, self-declared as Australia's 'original outback pub'. You can imagine the kind of swagger the locals bring. Visitors are encouraged to leave their mark as well; a memento, perhaps, or autograph on the walls. **Hotel: Bluestone Motor Inn. B D**

## 7 Tennant Creek – Alice Springs

The Stuart Highway is long (2,700 kilometres), very straight and very flat. Which makes the appearance of Karlu Karlu (Devils Marbles) on the horizon all the more dramatic. These massive granite boulders pock the countryside. But they're not just a pretty sight – they're a sacred place for the Aboriginal community, created by the fossilised eggs of the Rainbow Serpent. Get the lay of the land atop Alice Springs' Anzac Hill. From this vantage, the East and West MacDonnell Ranges appear to stretch to the horizon. **Hotel: DoubleTree by Hilton, 2 nights. B**

## 8 Alice Springs Sightseeing & Free Time

Small creatures with a big vision. **Hotel: Contour, 2 nights. B D**

## 3 Nitmiluk (Katherine) Gorge

Katherine is a little bit tropical, a little bit outback, and a whole lot gorgeous. The region's main attraction is its gaping Nitmiluk (Katherine) Gorge, which carves the countryside in spectacular form. Sit back on your boat and enjoy a cruise through this ancient landscape, home to the Jawoyn people for millennia. You'll learn about First Nations culture with a Jawoyn guide and who will tempt your tastebuds with some bush tucker. Support the community by picking up paintings by Jawoyn artists. **B**

## 4 Katherine – Kakadu

Today is your chance to reset your body's natural rhythms with a morning dip in Edith Falls – because days are better when you begin them with your head under water. This series of cascades in Nitmiluk National Park will set your pulse racing. Before venturing deep into Kakadu, you're poised for refreshments – we recommend a mango smoothie – in the film-set-like town of Pine Creek, where buildings date back to the heady gold rush days. In Kakadu you'll take a guided walk to view ancient Aboriginal rock art at Burrungkuy (Nourlangie). **Hotel: Mercure Kakadu Crocodile, Jabiru, 2 nights. B**

## 5 Kakadu National Park

If you want a different perspective, sign up for an optional scenic flight over the national park, revealing just how wide, wild and wonderful this part of the world really is. Australia is home to some of the oldest art in the world, and much of it decorates rock walls at Ubirr – this jaw-dropping site protects Aboriginal rock paintings and carvings dating back more than 20,000 years. If you thought that was impressive, wait till you see the view over Kakadu from the top of the escarpment. This afternoon, there's nothing between you and nature, the dramatic escarpments, waterholes and abundant wildlife of Kakadu looming large. Speaking of large, there are saltwater crocs to spot while you drift away on a Yellow Water Billabong cruise. Your local guide will share the secrets of these ancient waterways. Top off your holiday sharing a Farewell Dinner with your Travel Director and travel mates. **B FD**

## 6 Farewell from Darwin

Departing Kakadu, this is your last chance to spot enormous 'salties' lurking in river crossings you pass by. You won't see them at Fogg Dam, but what you will witness is a cacophony of birds. This really is a twitchers paradise. A fitting (and slightly noisy) end to this epic wilderness journey. **B**

From its beaches to its history, Albany is the kind of town you could lose yourself in. And you have a day to do just that. Ask us for tips.

### 📍 Iconic Sites

From dramatic geological formations (we're looking at you Wave Rock) to blindingly blue water (Lucky Bay) and record-breaking attractions (Busselton Jetty), we've got you sorted.

### 📷 Time For You

Make sure you have your phone ready for selfies with quokkas on Rottnest Island – their smile is infectious, as is the landscape of sandy coves and gin-clear water.

### 🌱 Sustainable Travel

MAKE TRAVEL MATTER EXPERIENCE Australia is home to the oldest living culture in the world. It's brought into full focus exploring Yanchep National Park with a traditional landowner.

### 🌊 Natural Wonders

The colours of Monkey Mia sear into your memory, the turquoise ocean here home to a famously friendly pod of resident dolphins.

## 1 Welcome to Perth

Perth may be the West Australian capital, but it's home to a remarkable amount of green space. Follow your Tour Director to Kings Park to witness 3,000 floral species in the Botanic Gardens, overlooking the Swan River, not to mention art installations and the Anzac Memorial. **Hotel: Rendezvous. D**

## 2 Perth – Wave Rock

Wave Rock deserves its name – the cliff resembles an enormous surf wave above the bush. The rainbow-hued granite swell is a short walk from another imaginatively named rock formation: Hippo's Yawn. You can climb through the 'neck' to grab a happy snap. Wave Rock locals are a friendly bunch, passionate about the place they call home. But don't take our word for it. Meet Sheenagh, who will show you her farm and talk life on the land. Which can be harsh, but also healing, in a way unique to the Aussie outback. Feed her cattle and glimpse her collection of vintage cars. **Hotel: Wave Rock Motel. B D**

## 3 Wave Rock – Kalgoorlie

Get your bearings on a Kalgoorlie town tour, with vistas over the staggering 'Super Pit' open-cut gold mine. Today's outings continue to gleam as you visit Hannans North Mine; nothing puts life into perspective like standing next to enormous U-Haul trucks and loaders. **Hotel: Rydges. B D**

## 4 Kalgoorlie – Esperance

More than 31,000 hectares of sweeping heathlands, rugged coastal peaks and white sandy beaches... it's no wonder Cape Le Grand National Park is voted among the most alluring of its kind in Australia. Just when you thought WA couldn't get any prettier, you arrive at Thistle Cove – sun, sand, sea and sculpted rock formations that 'whistle' with the sounds of the wind and waves – and Lucky Bay, a postcard-worthy cove where kangaroos sunbake on the sand. **Hotel: Comfort Inn Bay of Isles. B D**

## 5 Esperance – Albany

Today's journey takes you through Fitzgerald River National Park, a UNESCO Biosphere Reserve, then Stirling Range National Park, blanketed with 1,500 species of wildflowers, some of which are found nowhere else on Earth. Enjoy perspective from the Bluff Knoll Lookout, one of WA's highest peaks. **Hotel: Dog Rock Motel, 2 nights. B D**

## 6 Albany Free Time

Nature, history, food and wine... there's not much that Albany can't do. The hardest thing you have to decide is which direction to wander. Perhaps opt for a tour to the last port of call for ANZAC troopships departing Australia in WWI. Maybe explore Torndirrup National Park, where steep cliffs give way to dramatic rock formations and whales are a common sight. Or get a taste for the region on a culinary excursion. The choice is yours. **B**

## 7 Albany – Margaret River

Suspended 40 metres above the forest floor, the Tree Top Walk offers a bird's-eye view of the tangle trees that stand large through the Valley of the Giants. More lofty attractions await at the Cape Leeuwin Lighthouse, the tallest of its kind in Australia, set where the Indian and Southern Oceans meet. You'll feel like you're on the edge of the Earth. Being amid nature makes you thirsty. It's a good thing the Margaret River wine region is on the horizon. **Hotel: Stay Margaret River, 2 nights. B D**

## 8 Margaret River

The Margaret River's 200 vineyards produce 25 per cent of Australia's premium wines. And then there are the gourmet purveyors in between... you're in for a tasty day. Vasse Virgin makes olive oil that's sweet enough to drink. We recommend you savour it with bread, however. Lunch is leisurely, at a vineyard with plenty of time to sip and savour local drops. If you still have room for dinner, ask us for recommendations. **B L**

## 9 Margaret River – Fremantle

The Margaret River's coastline follows you to Busselton, home to the longest wooden jetty in the Southern Hemisphere. Tip your cap to those who built this 1.8-kilometre structure out into Geographe Bay. The afternoon is all yours in Freo. Hot tip: The city's markets feature 150 stalls under one roof. **Hotel: Esplanade Fremantle by Rydges, 2 nights. B D**

## 10 Fremantle Free Time

Sometimes, the most memorable travel moments are those when you lose yourself wandering the foreshore, lingering over lunch or a cool ale. Spend your day of leisure doing just that (Freo's Little Creatures Brewery is legendary). Of course, having a local show you around also has its benefits,

11 Fremantle – Geraldton

Yanchep National Park is incredibly spiritual, as you'll discover on an Aboriginal cultural experience revealing First Nations history through Dreamtime stories and didgeridoo sessions. We've left some of the best to last: entering Nambung National Park you're greeted by a moonscape spiked with the Pinnacles, a series of head-scratching limestone formations. This afternoon, Geraldton's HMAS Sydney Memorial beckons. **Hotel: Mantra. B**

12 Geraldton – Monkey Mia

The colours of World Heritage listed Shark Bay are so vivid, you'll think they're painted on, a patchwork of blues fading into powdery white sand. This is what awaits in Monkey Mia, where the day is all yours. Other than a cruise to spot sea creatures great and small, perhaps the best way to gain perspective is on a scenic flight over the Marine Park. **Hotel: Monkey Mia Dolphin Resort. B D**

13 Monkey Mia – Kalbarri National Park

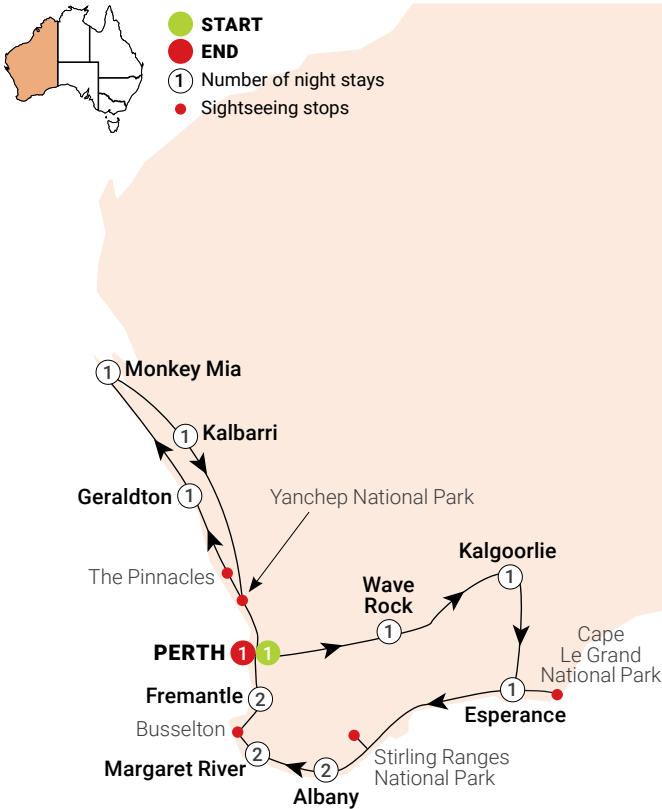

Bring your stamina – today's adventures begin early. But if there's anything worth getting out of bed for, it's Monkey Mia's wild dolphins, which swim close to shore to greet visitors every morning. Keep your sunnies handy at Shell Beach, a powder-white cove formed from billions of coquina bivalve shells, and Hamelin Pool, the world's best-known colony of stromatolites. Arriving at Kalbarri National Park you'll take in the Murchison River Gorge from the Kalbarri Skywalk. If you're here during wildflower season, expect acacia, banksia and caladenia in full bloom. **Hotel: Kalbarri Edge Resort. B D**

14 Kalbarri National Park – Perth

Just when you thought WA couldn't get any more colourful, Hutt Lagoon appears – one of the state's bubblegum pink lakes. Arriving in Perth you have one final dinner to swap contact details with your new friends and reminisce about the last two weeks. Where to begin? **Hotel: Rendezvous. B FD**

### 1 Indian Pacific Gold Service Sydney – Broken Hill

As the gleaming Indian Pacific pulls out of Sydney, the towers of Australia's largest city soon fade into the silvery gums and serrated rock formations of the Blue Mountains. Talk about starting on a high. All you have to do is become acquainted with your cabin and staff, meet fellow guests over a cocktail or two in the Outback Explorer Lounge, and enjoy the scenery. Because boy does it dazzle. **Private cabin: Indian Pacific, 3 nights. D**

### 2 Broken Hill – Adelaide

Just about as far west as you can travel in NSW, Broken Hill is your backdrop when you wake to the smell of freshly brewed coffee. This frontier mining town enjoys a colourful creative scene and cast of quirky characters, not to mention galleries and museums that re-tell the region's heritage. Back onboard the Indian Pacific, breakfast is served as you pull out of the station and ease into South Australia. The state dials up the natural drama as you chug through the Flinders Ranges, all rocky peaks and weathered gorges. It's a fitting entrée to lunch and then Adelaide, where

yet more indulgences await. Scour the city's Central Market for tasty treats, or sip your way around the Barossa, McLaren Vale or Adelaide Hills. The choice is yours. **Guests beginning their journey in Adelaide will start with a Welcome Dinner at the Adelaide Parklands Terminal. AB L D**

### 3 The Nullarbor

The Nullarbor Plain breaks records. For starters, it's enormous – around four times the size of Belgium. It's also home to the longest strait stretch of rail in the world, as you discover as you make your way west. It's hauntingly beautiful, in a way that only deserts are. Quiet, endless, meditative. The tiny town of Rawlinna is in the middle of nowhere. Free from light pollution, the stars here appear like glitter dousing the sky, as you'll discover when you step of the train for an alfresco dinner under the Milky Way. **AB L D**

### 4 Arrive Perth

Your rail journey comes to an end on arrival into the Western Australian capital of Perth after lunch. ## 1 Welcome to Perth

Western Australia's capital and largest city, Perth is remarkably green. The snaking Swan River cuts through town, its banks lined with leafy promenades – not to mention glorious Kings Park, a floral wonderland home to more than 3,000 plant species in the Botanic Gardens. Enjoy a stroll with your Travel Director to ease into your WA adventure. **Hotel: Rendezvous. D**

## 2 Perth – Wave Rock

Say hello to Wave Rock, a 110-metre, rainbow-hued granite swell formed more than three million years ago. It's in the ballpark of another imaginatively named rock formation: Hippo's Yawn. You can actually climb through the hippo's 'neck' to grab a happy snap. Fun fact: the visitor centre here has the world's largest collection of toy soldiers. Wave Rock local Sheenagh knows a thing or two about life on the land. She's passionate about her farm, and proudly shows off the outback while you explore the wide open spaces that characterise the WA countryside. You even get to feed her cattle and glimpse her collection of vintage cars – who knew folks in this part of the world were such avid collectors? **Hotel: Wave Rock Motel. B D**

## 3 Wave Rock – Kalgoorlie

Today is deep – quite literally. Your journey through classic WA outback lands you in Kalgoorlie – get your bearings on a town tour, pausing to take in vistas over the staggering 'Super Pit' open-cut gold mine. Put life into perspective standing next to monstrous loaders and haul trucks at Hannans North Mine. It's a shimmering opportunity to experience gold rush history and discover the Golden Mile. **Hotel: Rydges. B D**

## 4 Kalgoorlie – Esperance

Nature humbles at Cape Le Grand National Park, a staggering 31,000 hectares of sweeping heathlands, rugged coastal peaks and powdery beaches. ## Highlights

### ✂ Flexible Holidays

From a jaw-dropping Skywalk to striated seaside cliffs, estuary beaches, wild pelicans and national parkland, you'll need a day at leisure to explore Kalbarri.

### 📍 Iconic Sites

Get set for colour: botanicals in King's Park, wildflowers in national parks and the bleached limestone towers of The Pinnacles.

### 📷 Time For You

Walking barefoot along beaches is not only good for your soul, but also your health – science proves it. Get a dose of wellness wandering Geraldton's sandy coves.

### 🏠 Sustainable Travel

Heritage Lynton Station was a convict depot way back in 1853. Your visit helps preserve the buildings and landscapes that remember this slice of history.

### 🌿 Natural Wonders

Eye-popping is one way to describe Hutt Lagoon, a high-salinity waterway that changes hue from bubble-gum pink to crimson red.

## 1 Welcome to Perth

Arrive early into Perth? The West Australian capital has some of Australia's most happening lifestyle precincts, many filled with eye-popping street art, others with the kind of cafés you might expect to find on the streets of New York. Explore at your leisure before meeting fellow flower lovers for canapés as the sun sets over the mighty Swan River. **Hotel: Crowne Plaza.**

## 2 Perth – Kalbarri

Settle in for a few hours of hypnotic coastal scenery as you make your way north to Kalbarri. All the wave gazing is thirsty work. Thankfully, family-owned Illegal Tender Rum Co. has a few quenching distillations prepared for your arrival. Go behind the scenes to glimpse how this distinctive sugar-cane-based spirit is made, sampling award-winning spiced rum (among others) while you wander. Lunch is served on the distillery's deck overlooking dreamy fields, with each bite like Western Australia in a mouthful. **Hotel: Kalbarri Edge Resort, 2 nights. B L D**

## 3 Kalbarri National Park

Some 400 million years ago, the Murchison River carved its way through Kalbarri National Park, leaving behind echo-inspiring gorges of red-and-white banded sandstone as well as soaring coastal cliffs. It's quite the sight, and best taken in from a height. Enter the Kalbarri Skywalk, a precipitous projection 25 metres beyond the gorge rim and a dizzying 100 metres above the river. A different perspective is offered from the Hawk's Head Lookout and Nature's Window, the latter a natural rock arch that frames the gorge far below. The real reason you're here, however, is for the wildflowers – more than 12,000 species carpet this part of the state, 60 per cent of which are found nowhere else on Earth. Some are hard to find, so tread lightly. **B**

## 4 Kalbarri – Geraldton

Step back in time – all the way to 1853 – when you arrive at Lynton Station, a former convict depot and homestead composed of a collection of historic limestone buildings. Just as eye-opening is Hutt Lagoon, an enormous lake that is sometimes bubblegum pink, sometimes lilac, and occasionally even red. The high salinity here determines its hue. Your last stop is the moving HMAS Sydney Memorial, high on the hill overlooking

Geraldton; it pays homage to the ship's crew who were lost when it went down off the WA coast. **Hotel: The Gerald, 2 nights. B L D**

## 5 Geraldton & Surrounds

Geraldton is the gateway to a bedazzlement of wildflowers – picking where to go can be daunting. We have a little black book of hotspots, like Mullewa, which straddles both geological and climatic transition zones. Translation: it's a floral wonderland. Expect waves of everlastings and flowering shrubs along roadsides and in surrounding nature reserves, and have your camera poised to snap the star attraction: the wreath flower. Your Travel Director knows where to look. **B**

## 6 Geraldton – Perth

Arriving at Nambung National Park, you may think you've been transported to the moon, so surreal is the desert landscape of limestone pillars that surrounds. Welcome to The Pinnacles, jutting out from shifting yellow sands and standing up to five metres tall. You're walking amid history: these structures were created millions of years ago as seashells were broken down into sand and then eroded by water and wind. After a scenic drive back to Perth, join your Travel Director and fellow wildflower lovers for a Farewell Dinner. **Hotel: Crowne Plaza. B FD**

## 7 Farewell from Perth

You've seen blooms around the state. But one final glimpse remains in Perth's lush Kings Park. It's remarkable to think that this inner-city patch of green is home to the Western Australian Botanic Gardens, replete with more than 3,000 species of the state's unique flora. What a powerful end to a flower-filled journey. **B**

We'll forgive you for thinking you've been transported to the set of a sci-fi movie when you arrive at this moonscape, studded with limestone pillars stretching five metres into the sky. Welcome to The Pinnacles. Arriving in Geraldton, more moving moments await at the evocative HMAS Sydney Memorial. **Hotel: Mantra.**

#### 2 Geraldton – Monkey Mia

Shark Bay is one of the planet's greatest wilderness areas – if you don't believe us, chat to UNESCO about the World Heritage listing they gave this pocket of WA. A window in time and a wildlife refuge, it's all powdery white coves and gin-clear waters that naturally attract a plethora of wildlife. This afternoon, take in the bounty at your own pace, perhaps on a cruise to spot sea creatures great and small, or from the air, where your bird's-eye view reveals just how wide and wonderful the coast really is. Come dusk, be sure to find an oceanside perch and a cold beverage. Cheers to the end of another amazing day in WA. **Hotel: Monkey Mia Dolphin Resort. B D**

#### 3 Monkey Mia – Kalbarri National Park

If you need a reason to be up with the birds, make the dolphins of Monkey Mia it. These wild bottlenoses swim to shore every morning to greet visitors before heading off to surf the waves. It's a hard act to follow. But then again, so is Shell Beach, formed from billions of coquina bivalve shells that pile up to 10 metres deep. Hamelin Pool is home to the world's

largest colony of stromatolites. They appear rock-like, but are actually living, and they date back to the beginning of life on Earth. Talk about putting things into perspective. We hope you brought your stamina – there's more to come. Kalbarri National Park was carved by the Murchison River millions of years ago. The gorge that remains is particularly pretty during wildflower season, when acacia, banksia and caladenia are in dazzling bloom. **Hotel: Kalbarri Edge Resort. B D**

#### 4 Kalbarri National Park – Perth

If you thought you'd seen it all, wait until Hutt Lagoon appears on the horizon. One of Western Australia's eye-popping pink lakes, this body of highly salty water changes hue at different times of the year – sometimes it's bubblegum, often it's lilac, occasionally it's red. It's always incredible. What a blazing way to end your WA stay. But wait, you still have a Farewell Dinner and drinks with your new friends. Don't forget to exchange email addresses. **Hotel: Rendezvous. B FD**

# Tasmanian Wonders

## Highlights

### Flexible Holidays

Discover Tasmania's wild side spotting devils after dark, searching for wombats or following in the footsteps of little penguins. Or just chill out with a glass of wine.

### Iconic Sites

From untamed wilderness areas like Cradle Mountain and Freycinet National Park to the World Heritage listed Port Arthur, Tassie is not short on attractions.

### Time For You

Forward-thinking galleries, cafés, restaurants and parks await in Hobart and Launceston. Explore them at your own pace.

### Sustainable Travel

 Your entry fees into the state's national parks assist with the conservation of these pristine natural environments.

### Natural Wonders

Cruise the Gordon River amid World Heritage listed wilderness, the banks clad with ancient forest, including a 2,000-year-old pine.

## 1 Welcome to Hobart

The Tasmanian capital of Hobart may be small in size, but it's big in attractions, as you'll discover on a tour around the city. Step back in time at Battery Point, settled as a defensive outpost in the 19th century. Then explore the cobbled streets of Salamanca Place, the site of epic weekend markets. Gaze over boats at Constitution Dock – this is where yachts finish when competing in the annual Sydney to Hobart race. Put your destination into perspective from the summit of Mt. Nelson, offering endless vistas over Australia's southernmost city. **Hotel: Best Western. D**

## 2 Hobart – Strahan

Western Tasmania is like nature amplified, a place where the wilderness rules and people are few and far between. Visiting Mount Field National Park is a humbling experience, not only for the fact it's part of the Tasmanian Wilderness World Heritage Area, but also because it's home to some of the tallest eucalypts and flowering plants on Earth. Wander amid these giants to reach Russell Falls – take a deep breath; you're officially on holiday. Records continue to be broken at Lake St. Clair, the deepest freshwater Lake in Australia, before you arrive in Strahan, gateway to World Heritage listed Franklin-Gordon Wild Rivers National Park. **Hotel: Strahan Village. B D**

## 3 Strahan – Cradle Mountain

The Gordon River is your playground today, the dark waters here given their colour by amber button-grass tannins. The only thing breaking the mirror-like surface is your chariot as you cruise to Sarah Island, a former penal colony where convicts would fell Huon pines for boat building. Thankfully, they didn't get to the 2,000-year-old pine that still stands proud at Heritage Landing. Glide past Hells Gates, the treacherous entrance to the harbour, before motoring on to Cradle Mountain. This wilderness area offers one of the best chances of spotting Tasmanian devils in their natural habitat. Opt to head out after dark to spot these elusive creatures. **Hotel: Cradle Mountain. B L D**

## 4 Cradle Mountain – Smithton

Today has multiple highs – quite literally. The first is 1,545-metre Cradle Mountain, your backdrop as you wander to Dove Lake. You don't need to look too hard to spot Bennetts wallabies, echidnas, and pademelons. The second high is 'The Nut', a dramatic 152-metre plateau created by the remains of an ancient volcanic plug. It guards over Stanley, a tiny village with swagger to spare. You could spend days exploring the town's remarkably well-preserved heritage buildings. But more adventures await around the corner. **Hotel: Tall Timbers. B D**

## 5 Smithton – Launceston

If there's a town with a cuter name than Penguin, we're yet to find it. Locals embrace its appeal – there are penguin sculptures at every turn, including one measuring 10 metres high. Your journey along the northwest coast also passes through Burnie, Ulverstone and Sheffield, the latter delivering a surprise collection of 60 murals telling the area's history. All this exploring builds an appetite. Refuel at Ashgrove Tasmanian Farm, where happy cows contribute to award-winning cheeses – everything from cheddar and red Leicester to creamy Tasmanian blue. **Hotel: Best Western Plus, 2 nights. B**

## 6 Launceston

There are few places in the world where you can leave the city behind and within minutes be amid an immense wilderness area. Launceston is one. Blink and you're at Cataract Gorge, a yawning chasm carved by ancient rivers. This rare natural phenomenon unites bushland with neat Victorian gardens, replete with ferns and exotic plants. Get a different perspective of the green cavern on the optional scenic chairlift, zipping you over the water to a lofty lookout. We wouldn't blame you for lingering here, or perhaps sample more of Tassie's finest fare on a Tamar Valley winery tour. This afternoon, the choice is yours. **B**

#### 7 Launceston – Bicheno

You'll smell Bridestowe before you see it, this enormous lavender farm perfuming the Tasmanian countryside. The flowers grown here aren't just used in fragrances – they're also infused into ice-cream, teas and jams. It's a tasty entrée to the Legerwood Carved Memorial Trees, sculpted into World War One soldiers. Little penguins come out to play in Bicheno; sign up to spot them after dark as they waddle to shore from the water. **Hotel: Beachfront Bicheno. B D**

#### 8 Bicheno – Hobart

The colours at Freycinet National Park are so vivid you'll think someone has taken the glasses off your nose and cleaned them for the first time: The patchwork of ocean blues that lap Coles and Wineglass bays. The powdery white of sand. The pink hues of the granite mountains. There's a reason why the peninsula stars on postcards. The other place on postcards is Richmond, its grand 1820s Georgian buildings today home to bijou boutiques, galleries and cafés that appear to be lost in time. **Hotel: Best Western, 2 nights. B**

#### 9 Port Arthur Historic Site

The Isle of the Dead, Devil's Kitchen, Blowhole... the attractions at and around Port Arthur nod to the region's notoriously grim history. This is the best-preserved convict site in Australia, and among the most significant convict-era destinations worldwide. The stories these walls could tell. **B FD**

From Cataract Gorge to the Gordon River, Cradle Mountain to 'The Nut', Tasmania is not short on natural attractions.

### 🌿 Sustainable Travel

### 🏔 Natural Wonders

World Heritage-listed wilderness is your playground in Mount Field National Park, a soul-stirring union of soaring eucalypts and thundering waterfalls.

## 1 Welcome to Hobart

At the mouth of the River Derwent, Australia's southernmost city embraces its history, but has one eye firmly planted on the future. You only need to visit Salamanca Place to see how forward-thinking purveyors and curators have transformed heritage spaces into restaurants, cafés and galleries. Step back in time once again at Battery Point, settled as a defensive outpost in the 19th century, and Constitution Dock – this is where yachts finish when competing in the annual Sydney to Hobart race. Put your destination into perspective from the summit of Mt. Nelson, offering a dreamy outlook over the Tassie capital. **Hotel: Best Western. D**

## 2 Hobart – Strahan

Not many people live in the West of Tasmania – even less visit. This is not for want of appeal. Mount Field National Park dials up the drama from the moment you arrive, delivering World Heritage listed wilderness in the form of soaring eucalypts (some of the tallest on Earth) and thundering waterfalls. Russell Falls will take your breath away in more ways than one. And just when you think nature couldn't get any more humbling, you arrive at Lake St. Clair, the deepest freshwater lake in Australia. It's one of numerous waterways breaking your path to Strahan, gateway to World Heritage listed Franklin-Gordon Wild Rivers National Park. **Hotel: Strahan Village. B D**

## 3 Strahan – Cradle Mountain

The inky waters of the Gordon River – given its colour by amber button-grass tannins – are as eery as they are beautiful, the mirror-like surface only broken by your chariot out to Sarah Island. It's hard to reconcile the beauty of this part of the state with its grim history as a penal colony; a place where convicts would fell Huon pines for boat building. Thankfully, they didn't get to the 2,000-year-old pine that still stands proud at Heritage Landing. Early settlers didn't mince their words when they called the treacherous entrance to the river's harbour Hells Gates. You'll understand why when you drift past. Cradle Mountain awaits to the north. If you're content by the fire with a glass of wine – stay there. Otherwise, follow your guide into the night to spot Tassie devils. **Hotel: Cradle Mountain. B L D**

## 4 Cradle Mountain – Smithton

When the first thing you see is 1,545-metre Cradle Mountain, you know you're in for a good day. This is your backdrop as you wander to Dove Lake, a natural magnet for Bennetts wallabies, echidnas, and pademelons. Just when you thought the west coast couldn't get any more dramatic, 'The Nut' appears on the horizon. This 152-metre bluff created by the remains of an ancient volcanic plug guards over Stanley, an atmospheric fishing village with remarkably well-preserved heritage buildings. Browse boutiques at your leisure, or lace up your walking shoes – The Nut summit awaits. **Hotel: Tall Timbers. B D**

## 5 Smithton – Launceston

While you may not see any shy, nocturnal penguins on your visit to the town of Penguin, you will find dozens of statues commemorating just how cute these creatures are. Be sure to snap a picture in front of the 10-metre-high installation. You'll also want to have your camera ready arriving in Sheffield, home to a surprise collection of 60 murals telling the area's history. All this exploring builds an appetite. Refuel at Ashgrove Tasmanian Farm, where happy cows contribute to award-winning cheeses – everything from cheddar and red Leicester to creamy Tasmanian blue are yours for the tasting. **Hotel: Best Western Plus. ## 6 Farewell from Launceston

Get a different perspective of the green cavern on the optional scenic chairlift, zipping you over the water to a lofty lookout. You won't want your time here to come to an end; it's a good thing you have afternoon options. Pause to smell the flowers at Floriade, an immense wonderland of bulbs and blooms you'll want to explore at a leisurely pace.

### 📍 Iconic Sites

From Floriade and Parliament House to the Australian War Memorial, Canberra's attractions don't disappoint.

### 📷 Time For You

Pop in to Bowral's antique stores, find a cosy café, wander through parks and gardens... the choice is yours.

### 🌿 Natural Wonders

Canberra is one of Australia's greenest cities, from its alternative energy ethos to its ample parks that welcome visitors at every turn.

As this holiday departs at 7.30am from Rydges Sydney Central, accommodation will need to be pre-booked for the previous night.

### 1 Sydney – Canberra

Leave Sydney's skyscrapers behind and venture into the bucolic countryside of the Southern Highlands, all heritage villages, vineyards and manicured gardens. The allures all unite in Berrima, the best-preserved Georgian town in Australia – look no further than its convict-era sandstone gaol. Despite its gloomy history, the building awfully pretty to look at. All this touring is hungry work – thankfully, a barbecue lunch awaits on the grounds of working cattle and sheep farm Gold Creek Station, where you'll learn about life on the land from someone who works it every day. Speaking of working hard for the money, 10,000 people spent years constructing Parliament House, the architecturally eye-catching seat of the nation's government. Your guide will take you behind the scenes and reveal all the secrets... Finally, a visit to the Australian War Memorial. Just try to not be moved by the piper's lament. Polish yourself up for dinner, where you'll enjoy seasonal produce, washed down with regional wine and a selection of tempting desserts. **Hotel: Crowne Plaza, 2 nights. L D**

### 2 Floriade & Canberra

There are more than a million bulbs on display annually at Floriade, an explosion of colour that transforms the banks of Lake Burley Griffin – as well as some of Canberra's suburbs. The month-long affair – the largest of its kind in the Southern Hemisphere – was designed to celebrate Australia's Bicentenary and Canberra's 75th birthday. But it has become a regular on the city's event calendar. You'll see why. Browse immaculate flower beds in various patterns and themes, then enjoy entertainment, market stalls and a lively spring vibe. **B**

### 3 Canberra – Bowral – Sydney

Yet more flowers await in the Southern Highlands, where Bowral's Corbett Gardens play host to 75,000 tulips. The aptly named Tulip Time Festival here will inspire you to buy some bulbs to plant back at home – it's that eye-catching. Thirsty? High tea awaits in the Southern Highlands town of Mittagong. **B T**

## Highlights

### Iconic Sites

Things get deep in Cooper Pedy, that Aussie town that lies largely underground. Visit some iconic buildings all marbled with opals.

### Time For You

Uluru is one of those places you could spend a lot of time at. Arrive early to soak up the spirituality.

### Sustainable Travel

Sleep soundly knowing that wherever you wander with AAT Kings, you're contributing to the protection of the destinations you visit.

### Natural Wonders

Salt lakes and South Australia go hand in hand. Prepare for your white-out at Lake Hart, a vast pearly plain made all the more dramatic by the pindan soil that surrounds.

Cooper Pedy

As this holiday departs at 7.00am from Ayers Rock Resort, accommodation will need to be pre-booked for the previous night.

### 1 Uluru – Cooper Pedy

There's something starkly beautiful about the Australian outback. The pindan soil, silvery gums, horizon-busting skies, vast swathes of sun-baked nothingness. This is your backdrop as you cross from the Northern Territory into South Australia, ready to get deep at your destination. Cooper Pedy, known as 'the opal capital of the world', is all lunar landscapes at the surface, and psychedelic colours underground. Locals not only mine rainbow-hued opals in a vast network of subterranean tunnels, but also live here, go to church here and send their kids to school here. You'll get to bed down in an underground hotel as well. Nature's air-conditioning. **Hotel: Desert Cave. D**

### 2 Cooper Pedy – Port Augusta

It's hard to imagine landscapes more dramatic than those you've experienced so far. But nature ups the ante at Lake Hart, a vast saltpan that sparked a community in the 1930s. Today, it's all but deserted, adding to the ethereal atmosphere. The vastness of the South Australian outback was no doubt one of the reasons why it was chosen to become the world's largest military land base. Believe it or not, Woomera has been a testing base for atomic bombs, ballistic missiles

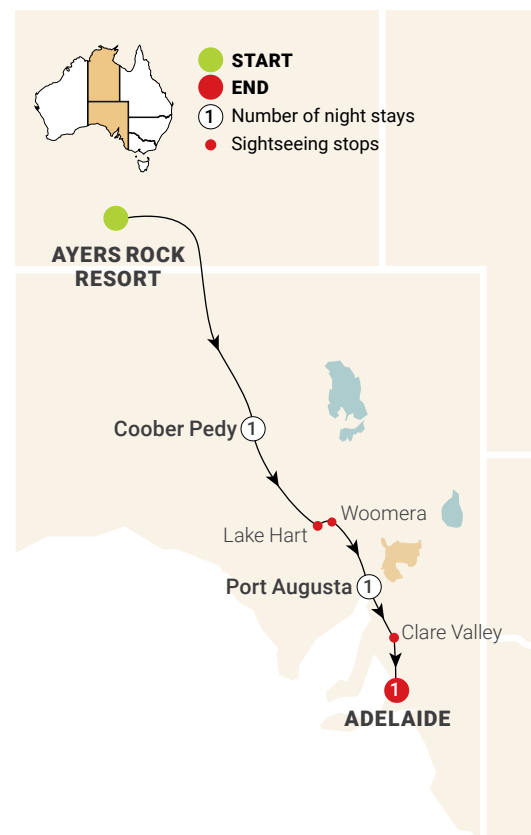

and satellite boosters. Mull over that en route to SA's natural harbour of Port Augusta. **Hotel: Majestic Oasis Apartments. B D**

### 3 Port Augusta – Adelaide

The Wadlata Outback Centre was created to decode some of the countryside you've been traversing over the past two days. Come face-to-face with giant ripper lizards, journey back in time to when dinosaurs roamed this land, and meet some of the people who first owned, explored and settled the region – as well as some of those who live here today. There are fossils and more opals, and interactive exhibits; have you ever tried Morse code? All this outback is thirsty work. Thankfully the Clare Valley is on the horizon. Gather in the cellar door at historic Knapstein Wines to find out just why their riesling takes home so many awards. Their other drops are pretty tasty, too. **Hotel: Crowne Plaza. B D**

### 4 Farewell from Adelaide

While your AAT Kings journey comes to an end, we seriously hope you have plans to linger in (and around) the South Australian capital. # South Australian Outback Adventure

## Highlights

### Flexible Holidays

South Australia dazzles, whether from the sky on a flight over Lake Eyre, or from below the ground ogling opals in Coober Pedy. Do either – or both.

### Iconic Sites

The South Australia countryside is humbling, as you'll discover when you leave the world behind and hike the Flinders Ranges or gaze at the heavens on an astronomy tour.

### Time For You

Tick off 'only-in-Australia' locales: the world's oldest vines in the Barossa, a subterranean community in Coober Pedy, Australia's largest inland sometimes-lake.

### Sustainable Travel

MAKE TRAVEL MATTER EXPERIENCE When you check into Aboriginal-owned Wilpena Pound Resort, your room rate contributes to a sustainable economic future for the Adnyamathanha people.

### Natural Wonders

The landscapes of the Flinders Ranges are ancient, and reveal history through endemic flora and fauna as well as some of the most dramatic geological landscapes imaginable.

## 1 Welcome to Adelaide

The South Australian capital often flies under the radar – locals like it that way, happy to keep their buzzing dining precincts, glorious gardens and on-your-doorstep wineries to themselves. But the secret is well and truly out, and over the course of the afternoon you'll discover just how diverse Adelaide really is. Touring the city you'll cover every interest base: sports (Adelaide Oval), horticulture (the Botanic Garden), culture (the Art Gallery of South Australia) and food (Adelaide Central Market). Tonight, wander up to the foodie hub of North Terrace. The city offers plenty of eateries in which to while away your evening. **Hotel: Adabco Boutique Hotel.**

## 2 Adelaide – Ikara-Flinders Ranges National Park

You don't have to travel far from Adelaide to be surrounded by vines. In fact, just 1.5 hours north lies the Clare Valley, and therein one of Australia's most awarded wineries. Knappstein Enterprise Winery's roots reach back to 1878, which yields extremely tasty drops, as you'll discover at the cellar door before lunch in the Clare Valley's atmospheric central town. It's the best way to ease into the wide-open, otherworldly spaces of the Flinders Ranges – your commute is a short journey by coach, but it transports you to seemingly Martian landscapes, some 800 million years in the making and home to the Adnyamathanha people for tens of thousands of years. The First Nations community owns and manages your base for the night, Wilpena Pound Resort, and they'll welcome you to Country with spirit and soul. **Hotel: Wilpena Pound Resort. B D**

## 3 Wilpena Pound – Arkaroola

The cliffs and craters and ravishing red rocks of the Flinders Ranges shine brightly in the morning sun, your outlook particularly pretty from Wangara Lookout. From this vantage, you'll enjoy expansive views over the natural amphitheatre that is Wilpena Pound. It's an awe-inspiring way to start the day, before your journey carves north through dramatic Bunyeroo and Brachina Gorges. Keep your eyes peeled for endangered yellow-footed rock wallabies – only 2,250 remain in Australia, and most call this part of the country home. You'll begin to understand why they favour the South Australian outback when you arrive in Arkaroola, characterised by ancient granite mountains and golden spinifex-covered hillsides and providing a

vantage over Lake Frome and the desert beyond. But the real stars here are those overhead, as you'll discover on an astronomy tour that brings the dazzling night sky into full focus. Prepare to be humbled – in the best possible way. **Hotel: Arkaroola Wilderness Sanctuary. B D**

## 4 Arkaroola – Marree

What was happening in Arkaroola 1.6 billion years ago? Your guide will help decode the region's mind-boggling geological history as you navigate the steep slopes and hair-raising ascents of the Ridgetop Track. Plants here are found nowhere else on the planet, and gorges are so vast that they seem to cleave off the edge of the earth. A patina follows your journey northwest to the Ochre Cliffs outside Lyndhurst, where an artist's smudge of fiery hues paints the countryside all the way to the horizon. It's as sacred as it is spectacular, with the Aboriginal community having utilised the rich clay soil in ceremonies for centuries. You can see why this part of Australia was attractive to the 1800s settlers of nearby Farina – but you'll also learn why they departed, leaving an eerie ghost town on the outskirts of Marree, where you'll lay your swimming head for the night. **Hotel: Marree. B L D**

## 5 Marree – Coober Pedy

Much of the South Australian outback towns exist because of the old Ghan Railway, click-clacking from Adelaide to Darwin. Plenty of history will be revealed on your morning's journey down the line's westward bend, perhaps only outshone by the natural drama of Kati Thanda-Lake Eyre. Australia's largest inland lake is – most of the time – a shimmering saltpan covering hundreds of square kilometres, yet is occasionally transformed by desert downpours into a thriving oasis. You'll have the chance to glimpse it from the air, your bird's-eye view unfolding beneath you like a work of art. Speaking of art – your included scenic flight will also pass over the Anna Creek Painted Hills, a rocky outcrop that literally pops out of the flat desert, creating silhouettes resembling cartoon characters. Touch down to explore the otherworldly countryside before jetting on to your destination, Coober Pedy, brimming with compelling quirks. How do you fancy sleeping underground? **Hotel: Desert Cave, 2 nights. B**

**6 Coober Pedy**

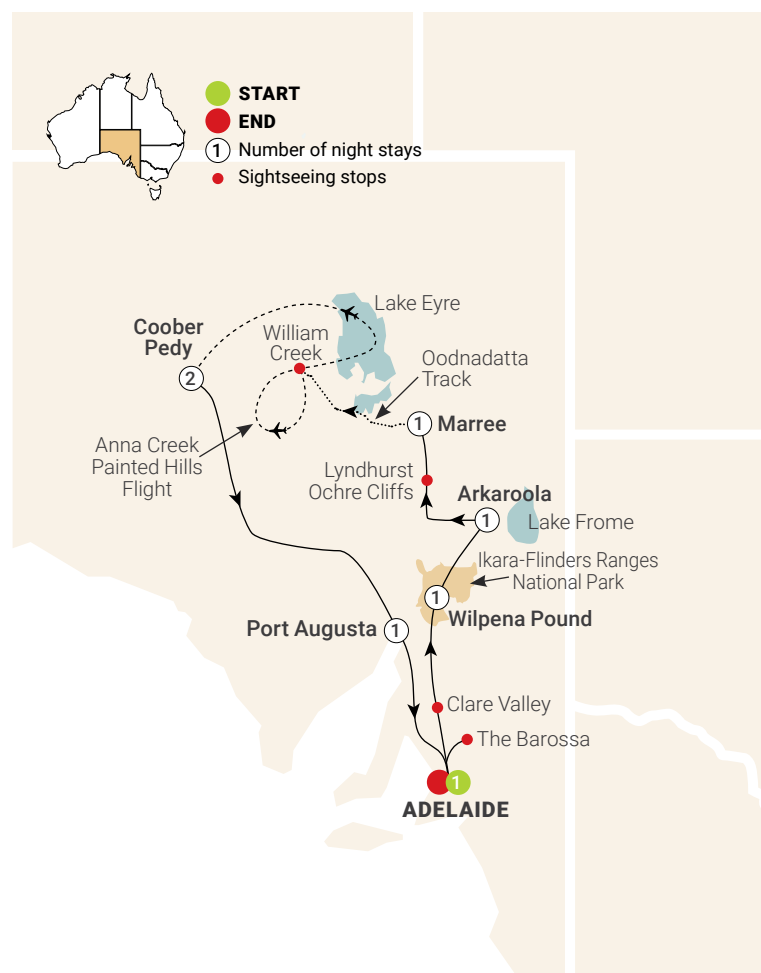

The self-proclaimed 'opal capital of the world', Coober Pedy's many attractions lie primarily below the earth's surface. Due to the above-ground heat (temperatures can soar) many locals choose to take up a subterranean residence as well. Once you've explored this fascinating community – including fossicking for opals in surrounding mines – look further afield to Aboriginal owned Kanku-Breakaways Conservation Park, where you'll travel along a stretch of the ancient Dog Fence: a barrier spanning 5,300 kilometres across three states. As mind-boggling as the construction is, it pales in comparison to the setting's moonscape of fossilised shells and cracked grey clay. The only thing more surreal than the natural landscape is the constructed one this afternoon at Coober Pedy Opal Fields Golf Club, where the fairways are dirt and sand. Pick up a club to thump balls around the oil-soaked putting green. **B D**

**7 Coober Pedy – Port Augusta**

It's hard to imagine landscapes more dramatic than those you'll have experienced so far. But the bar is officially raised by those at Lake Hart, another vast saltpan that sparked a community in the 1930s. Today, it's all but deserted, the isolation reminding you that Mother Nature always rules. The vastness of the South Australian outback here was no doubt one of the reasons why it – specifically Woomera – was chosen to become the world's largest military land base. Established by the British in 1947, the countryside here has been a testing base for atomic bombs, ballistic missiles and satellite boosters. It's a piece of Australian history few know of, but that you will leave appreciating, as you head toward your evening's repose in the natural harbour of Port Augusta. **Hotel: Majestic Oasis. B**

**8 Port Augusta – The Barossa – Depart Adelaide**

The Barossa needs no introduction – your journey today will take in one of Australia's oldest wine regions, and local makers know a thing or two about creating memorable vintages. The South Australian Company Store reveals some of the finest regional drops, your lunchtime tipples complemented by glorious views over the vines. You'll arrive in plenty of time for your Adelaide flight, your heart, mind and spirit filled with the natural and human wonders of a region that exudes superlatives. **B L**

# Remarkable Adelaide to Kangaroo Island

## Highlights

### Flexible Holidays

The Kangaroo Island Brewery is an essential stop for thirsty travellers. Beer not your thing? The establishment makes a mean cider.

### Iconic Sites

From the Remarkable Rocks to Admirals Arch and Seal Bay, Kangaroo Island's natural drama is only outshone by its abundance of wildlife.

### Time For You

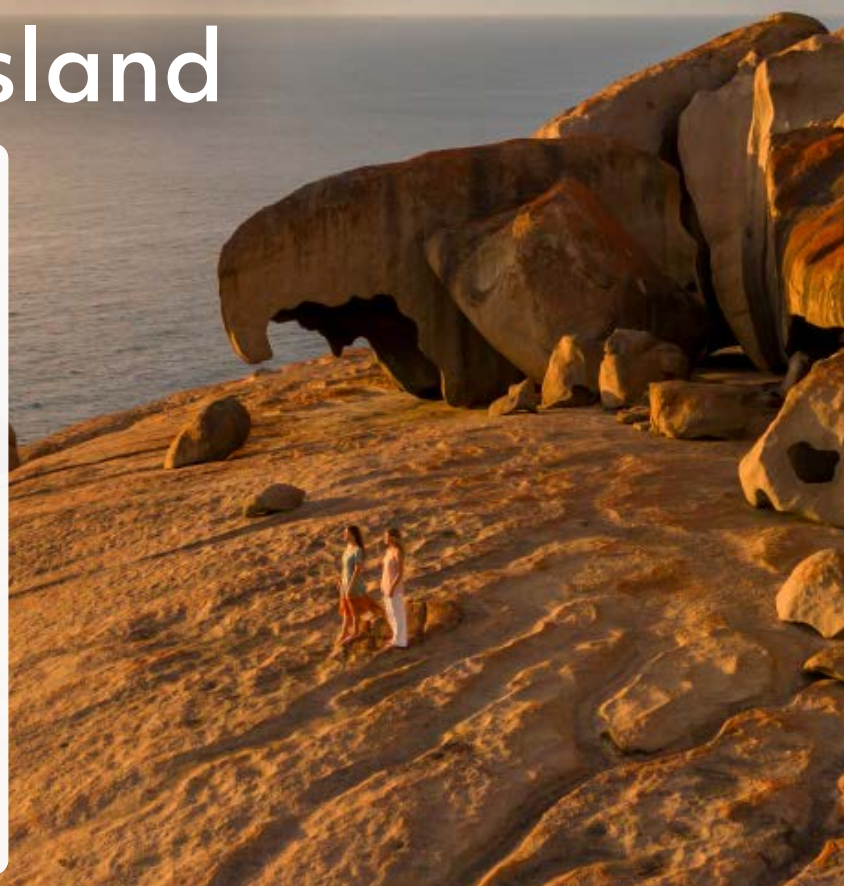

Arrive early into Adelaide to discover why this southern city is developing a reputation as Australia's foodie capital – pop into the Central Market for inspiration.

### Sustainable Travel

MAKE TRAVEL MATTER EXPERIENCE Visits to Seal Bay Conservation Park and Flinders Chase National Park help protect these fragile ecosystems – and the animals that call them home.

### Natural Wonders

Flinders Chase National Park offers an embarrassment of floral and fauna encounters, from voluptuous rock formations to jagged sea cliffs and tall stands of eucalypts.

## 1 Welcome to Adelaide

The 'City of Churches' is, it turns out, also the honorary 'City of Food'. You only need to wander around the Adelaide Central Market to discover a smorgasbord of local produce. If you have the time to explore slightly further afield, it's a short drive to the orchards, vineyards and cheesemongers of the Adelaide Hills and the Barossa. Plenty of tasty reasons to arrive early in the South Australian capital. **Hotel: HotelMOTEL.**

## 2 Adelaide – Kangaroo Island

The pretty-as-a-picture Fleurieu Peninsula is the gateway to all manner of wild and wonderful destinations. Not in the least Kangaroo Island, accessed via the Cape Jervis ferry, cruising south over the Great Australian Bight bound for Penneshaw. Bubbling with excitement to arrive on KI? So is Mike, your host at Kangaroo Island Brewery. This is no ordinary brew-house – Mike makes all his beers using rainwater he collects from the roof of his shed. Try a paddle of his liquid gold, or sip wine and cider while chatting with your affable host. **Hotel: Aurora Ozone, 2 nights. B D**

## 3 Kangaroo Island

Today mingles wilderness, wildlife and wonderful food in equal measure. Your outlook begins on a high at the Remarkable Rocks. Formed some 500 million years ago, the precariously balanced, rust-hued granite boulders cut a dramatic form against the inky blue of the Southern Ocean and silvery shrubs that cover the countryside. Your outlook is just as wild at Admirals Arch, a natural rock formation within Flinders Chase National Park, and a popular hangout for cacophonous New Zealand fur seals. The colony loll about on just about every surface you can see. They're petite compared to the creatures found at Seal Bay, where playful seals tumble down the sand to splash about in the water – metres from where you stand. And onto that food and drink. After a two-course lunch at Vivonne Bay Bistro, Peter at Island Beehive will dish up samples of the honey (and delicious honey ice-cream) he makes here using Ligurian bees. They're found on KI, and nowhere else in Australia. Meanwhile, the owners of Islander Estate Vineyard will pour you a glass or two and talk through the production of their wines. **B L**

## 4 Kangaroo Island – Adelaide

One of the reason bees are so happy on Kangaroo Island is because they have an immense floral bounty to buzz over at Emu Bay Lavender Farm. Maria and Tony have been tending the land for two decades, and today grow 10 varieties of this fragrant flower. They turn it into all kinds of products, from soaps and beauty products to ice-cream, jam and scones. Dig in. Before you leave the island, follow your nose to Emu Ridge Eucalyptus Distillery. If Australia was an aroma, this would be it. Pick up essential oils, body creams, sweets honey and soaps, and taste their cider. Then bliss out knowing that anything you eat or use not only tastes and smells great, but also has therapeutic properties. Back in Adelaide, take in the sights before joining your fellow foodies for a Farewell Dinner. **Hotel: HotelMOTEL. B FD**

## 5 Farewell from Adelaide

Your bags a few kilos heavier thanks to all that honey, lavender and eucalyptus, it's time to bid farewell to Adelaide and Australia's second-largest (but perhaps most beguiling) island. **B**

### Iconic Sites

The end-of-the-Earth sea cliffs of the Great Australian Bight frame a marine environment that humbles. Explore by land and sea, and get set for goosebumps.

### Time For You

There are plenty of ways to explore Elliston. Ask us for tips – we may point you in the direction of the cliff top walking paths.

### Sustainable Travel

### Natural Wonders

You'll be dwarfed by the immense Yanerbie Sand Dunes on the Eyre Peninsula, their ripples formed by winds that blow off the Southern Ocean.

## 1 Adelaide – Port Augusta

Often the best way to get a taste for a region is through its food and wine. And we're determined to help you do just that from day dot of this tour. Just 90 minutes after departing Adelaide you're in the heart of the Clare Valley, one of South Australia's premier wine regions. And one of its premier wineries beckons. Gather in the cellar door at Knappstein Wines, whose riesling (among other drops) will make you weak at the knees. The petite town of Port Augusta is your base tonight, its broad harbour reaching out to the Spencer Gulf. **Hotel: Majestic Oasis Apartments. D**

## 2 Port Augusta – Streaky Bay

The town of Kimba may be small in population, but it's big in attractions. Look no further than the eight-metre-tall Big Galah, guarding over the Eyre Peninsula. The other larger-than-life drawcard is Kimba's silos, which forward-thinking artists have decorated with eye-popping murals. Talking about colourful countryside, wait until you see the pink ripples that Pildappa Rock casts. This immense granite outcrop was formed 1.5 billion years ago, its wave-like shape swooping over a swathe of pindan soil.

**Hotel: Streaky Bay, 2 nights. B D**

## 3 Streaky Bay

You could spend weeks exploring Streaky Bay and surrounds, tucked into an inlet on the Eyre Peninsula. But you have a day, so bring your stamina. First up: the Westall Way Loop Coastal Scenic Drive, linking attractions like the Yanerbie Sand Dunes (enormous, rippled dunes tumbling to the Southern Ocean); Point Westall (with its 'whistling' rocks and blowholes); Head of the Bight Lookout (for supreme whale spotting); and High Cliff Hideaway Bay. More lookouts await at Hally's Beach, where the water is so turquoise you'll think it has been painted on. And Cape Bauer, at the very end of the peninsula. Worked up an appetite? Get set for a seasonal seafood feast of epic proportions, enjoyed while you cruise the coast around Streaky Bay. **B L**

## 4 Streaky Bay – Port Lincoln

This part of the South Australian coast is pristine – the kind of place fur seals like to hang out. Marvel at these endangered creatures in Point Labatt Conservation Park, the only place on the mainland where seal pups can be seen learning to swim, play and rest on the beach. Nature continues to reign supreme at Murphy's Haystacks, a series of ancient pillars and boulders that appear to pop from the Earth, and Talia Caves – honeycombed granite rocks framing the beach. Think of this as a geologist's Nirvana. Stretch your legs along a section of the Elliston Coastal Trail at Little Bay, offering a windswept snapshot of some of the Eyre Peninsula's most dramatic scenery. **Hotel: Port Lincoln, 2 nights. B D**

## 5 Port Lincoln & Coffin Bay

Get your Port Lincoln bearings on a guided tour before we set the GPS for Coffin Bay. This part of the peninsula is what postcards were made for. Case in point, Almonta Beach, its gin-clear waters regularly hosting pods of dolphins that surf the waves. These nutrient-rich waters are also a natural habitat for another marine creature: oysters. Tour an oyster farm, slurp a couple of freshly-shucked molluscs, then sit down to an indulgent seafood platter. Your next deep dive will be into Aboriginal culture on a Wild Yarnbala tour, covering off-grid, organic orchards and gardens and giving you the opportunity to taste bush tucker while being serenaded by a didgeridoo. **B L**

## 6 Port Lincoln – Adelaide

Today's your day to compare silo art: Kimba vs Tumby Bay, the latter painted by artist Martin Ron. Arriving at the Lucky Bay Jetty, jump aboard the Spencer Gulf Searoad to cruise across the gulf to Wallaroo. And just when you thought your week in South Australia couldn't get any more colourful, you arrive at Bumbunga Pink Lake. This eye-popping waterway changes colour from pastel to bubble-gum to lipstick, depending on the salinity. Join your Travel Director tonight for a Farewell Dinner. **Hotel: HotelMOTEL. B FD**

## Highlights

### ✂ Flexible Holidays

Choose your own adventure on the Gold Coast, where surf and sand meet rainforest hinterland. Hike, swim, refuel, repeat.

### 📍 Iconic Sites

How many people get to say they visited three World Heritage Sites on a single holiday? You can: K'gari (Fraser Island), the Great Barrier Reef and the Wet Tropics of Queensland.

### 📷 Time For You

It's easy to drift away in the Whitsundays. And you get to do just that, whether on a catamaran, with a snorkel strapped on or from the air.

### ♻ Sustainable Travel

MAKE TRAVEL MATTER EXPERIENCE Our '10 Pieces' program encourages guests to pick up 10 pieces of rubbish during their travels. Every little bit helps to protect this fragile part of the world.

### 🌿 Natural Wonders

Some of the world's oldest tropical rainforest envelops Cairns, this verdant tangle of ferns and palms a natural magnet for native wildlife.

As this holiday departs at 7.30am from Rydges Sydney Central, accommodation will need to be pre-booked for the previous night.

#### ① Sydney – Coffs Harbour

As much as you'll want to linger in Sydney, Coffs Harbour is calling. On the mid-North Coast of New South Wales, this pocket of paradise has some of the state's most impressive beaches, not to mention the glorious national parkland that surrounds. Follow the breeze (and lead of locals) to the beach for a dazzling end of day, before meeting your fellow adventure-seekers. **Hotel: BreakFree Aanuka Beach Resort. D**

#### ② Coffs Harbour – Gold Coast

Australia's most easterly point is the stuff that postcards were made for, as you'll discover when you reach the Cape Byron Lighthouse, standing proud over the Pacific Ocean. Dolphins are a common sight year round, and they're joined by whales during migration. For lunch, we can point you in the direction of a tasty Byron Bay fish-and-chip shop – order a haul to eat with your feet in the sand. Which you're going to see plenty of at your next destination. **Hotel: Novotel Surfers Paradise, 2 nights. B**

#### ③ Gold Coast Free Time

Your base in Surfers Paradise is the heart of the Gold Coast, a city that really does sparkle. Today you might choose to explore beaches (there are too many to count), lingering in light-filled cafés and restaurants. Or enlist to see another side of the 'Goldie' in the Mt. Tamborine hinterland – a hub for creatives and foodies. The city also breaks records for its extensive network of canals, which you might opt to explore on a leisurely cruise. **B**

Ask us about starting this holiday on the Gold Coast the morning of Day 4 (Code: QGC).

#### ④ Gold Coast – K'gari (Fraser Island)

Follow the waves north to Hervey Bay, the gateway to K'gari (Fraser Island). The ferry ride across the strait is a highlight, particularly during whale migration when these gentle giants come to the calm, protected waters to calve. Landing on K'gari, expect to see a lot of sand. This is, after all, the world's largest sand island, and the only place in the world where rainforest grows from the sand. **Hotel: Kingfisher Bay Resort, 2 nights. B**

#### ⑤ K'gari (Fraser Island)

The island also has a really long sand highway, which you'll get to zip along on a 4WD tour across 75 Mile Beach, all the way up the east coast to the Pinnacles Coloured Sands, calm Eli Creek and the Maheno shipwreck, which offers quite the photo opportunity. Just when you thought the island couldn't get any prettier, Lake McKenzie appears on the horizon, this dazzling patch of blue formed only with rainwater. It's a hard act to follow, but the ancient rainforest at Central Station and Wanggoolba Creek lives up to the challenge with its huge satiny, scribbly gum and kauri trees. **B L**

#### ⑥ K'gari (Fraser Island) – Rockhampton

Back on the mainland you're in Queensland's cattle country. Case in point Langmorn Station, where the Creed family will welcome you with afternoon tea and a tour of the immense (and historic) cattle property – the original family homestead was built in 1873. The Creeds will regale you with stories about life on the land. The theme continues as you cross the Tropic of Capricorn to arrive in Rockhampton, the beef capital of Australia. See if it deserves its title sampling some of the town's restaurants. Ask us for tips. **Hotel: Quality Regent. B**

#### ⑦ Rockhampton – Airlie Beach

Another town with an impressive title is Sarina, Australia's sugar capital. If you've ever wanted to know how sugar cane is processed and distilled, you'll find the guided tour at the Sarina Sugar Shed a sweet addition to the itinerary. And yes, you get to sample the wares. Continue, on a high, to Airlie Beach, the gateway to the Whitsundays. Life moves at a leisurely pace here. Fall into step and take things slow tonight. **Hotel: Mantra, 2 nights. B L**

#### ⑧ Airlie Beach Free Time

The Whitsunday Islands need little introduction, the 74 tropical drops of land a beguiling union of powdery beaches and rainforest, all ringed by the Coral Sea. There are endless ways to explore this part of the Great Barrier Reef – today, we're letting you choose. Perhaps rise early for an optional helicopter ride over Heart Reef. Or catch a catamaran to Whitehaven Beach, with sand so high in silica it squeaks underfoot. **B**

Great Barrier Reef

### 9 Airlie Beach – Cairns

After all the excitement of yesterday, today it's time to relax and enjoy the scenery – more sugar cane fields and rolling green paddocks, all framed by the ocean and rainforest-clad mountains. Stretch your legs en route to Cairns and soak up this steamy part of the state. **Hotel: DoubleTree by Hilton, 3 nights. B**

### 10 Cairns

The Cairns Esplanade is a hive of activity in the morning, with active locals out before the humidity of the day sets in. Keep pace, before cooling off in the Atherton Tablelands, a high tropical plateau of rainforest, including the heritage listed Curtain Fig Tree. And waterfalls, like Millaa Millaa Falls, where enormous iridescent Ulysses butterflies like to dance. Explore Kuranda before getting some perspective on the Skyrail Rainforest Cableway, high above the canopy of the Barron Gorge National Park. **B**

### 11 Great Barrier Reef

Just when you thought your outlook couldn't get any better, you're zipping over the Great Barrier Reef on a high-speed catamaran. Snorkel with six of the world's sea turtles bobbing over fans of coral, as well as so many fish you won't know where to look. If you prefer to keep your head above water, the marine world can also be glimpsed from an underwater observatory and glass-bottom boat. **B L FD**

### 12 Farewell from Cairns

A ridiculous number of beaches, world-record breaking rainforest, dreamy islands and even dreamier ocean... it's going to be hard to say goodbye to this backdrop. Not to mention your fellow travellers. **B**

## Highlights

### ✂ Flexible Holidays

If you can't get enough of wildlife, sign up for an Eco Cruise from Weipa, the largest town on the Cape York Peninsula.

### 📍 Iconic Sites

At the very tip of Australia, Cape York is the largest unspoilt wilderness area in the country. Few people get to see this magical part of the world.

### 🌿 Sustainable Travel

Sleep soundly knowing your national park fees are helping protect fragile and untouched pockets of wilderness.

### 🏞 Natural Wonders

Visiting Quinkan Country, sacred Aboriginal land, is a spiritual experience. The rock art here dates back tens of thousands of years, revealing Dreamtime stories.

As this holiday departs at 6.30am, accommodation will need to be pre-booked for the previous night.

#### 1 Cairns – Cooktown

Moments after departing Cairns you're amid the World Heritage listed Wet Tropics of Queensland. Cross the Daintree River and you're on your way to Cape Tribulation, where the rainforest meets the Great Barrier Reef. You're not here to dive in – your journey takes you off-road along the 4WD Bloomfield Track. Legends (and myths) await at Black Mountain, sometimes dubbed the Bermuda Triangle of Australia. **Hotel: Sovereign Resort. L D**

#### 2 Cooktown – Musgrave

Today you're in Quinkan Country, home to one of Australia's best-preserved rock-art sites. Nearby, Rinyirru (Lakefield) National Park is big in more ways than one, from its enormous waterlily-covered billabongs to its unfathomable number of birds. **Hotel: Musgrave Roadhouse. B L D**

#### 3 Musgrave – Weipa

The historic gold town of Coen may be small in size, but it's got plenty of country swagger. Bauxite mining was the reason the tiny town of Weipa was formed. Today, visitors arrive for blazing sunsets over the Gulf of Carpentaria. **Hotel: Albatross Bay Resort or Heritage Motel. B L D**

#### 4 Weipa – Bramwell Station

How do you want to spend your pre-lunch hours? Perhaps on an optional Weipa Wildlife & Eco

Cruise, revealing First Nations culture and wildlife. Or dig deep on a bauxite mine tour. How these rocks are pulled from the ground is head-scratching. As is the size of Bramwell Station, Australia's northernmost cattle station and your base for the night. **Hotel: Bramwell Cattle Station (en suite facilities). B D**

#### 5 Bramwell – Cape York

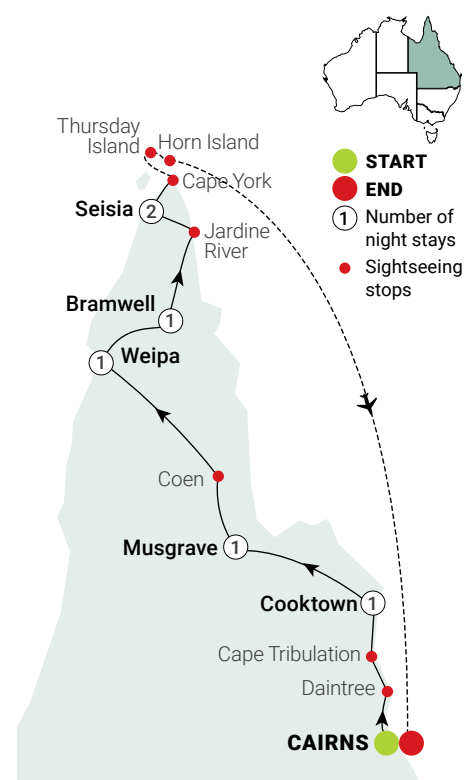

Your early start today is worth it when you arrive at Fruit Bat Falls for lunch. Dive in, splash about, cool off, unwind. There's not much between you and Cape York; cross the Jardine River and you're there. Seisia is the departure point for ferries to Thursday Island and fishing charters. It's also the gateway to tomorrow's adventures. **Hotel: Seisia Holiday Park, 2 nights. B L D**

#### 6 Cape York – Somerset

Not many people can say they've stood at the very top of mainland Australia at Somerset, the first European settlement on the Cape York Peninsula. Lunch is served on palm fringed Anchorage Beach overlooking the Albany Passage. **B L D**

#### 7 Seisia – Thursday Island – Cairns

Rich in Aboriginal culture and natural beauty, Thursday Island is the capital of the Torres Strait Islands. You're on a guided tour before heading to Horn Island to board your aircraft, flying over the Great Barrier Reef to Cairns. Wait, how did this week pass so quickly? **B**
