Nearly a Century Planning Your Holiday.

When you choose a Globus holiday, you're choosing experience, passion, and attention to detail perfected **over nearly 100 years**. It all started in 1928 when a young Antonio Mantegazza set out to share the stories of his homeland, using his family's rowboat to transport lumber across the stunning Lake Lugano in Switzerland. Before long, Antonio began ferrying tourists—turning a simple journey into an unforgettable experience. What began on that spring day blossomed into Globus: a trusted name in worldwide travel, dedicated to bringing the world's wonders closer to you. Today, Globus remains proudly family-owned, combining its rich heritage with modern innovation to offer expertly curated tours, exceptional service, and unforgettable memories on every journey.

1980

2011
