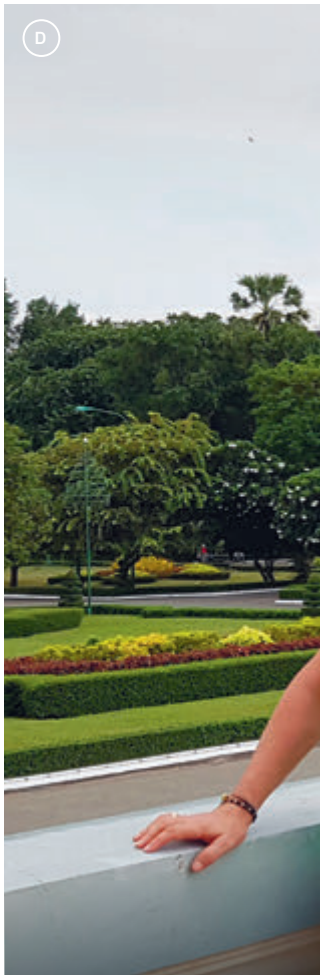
The Mekong: Seasonality Guide



"All the wonderful stops on our Mekong River cruise."

Shared by Scenic Guest
Tammy C, Australia

The Mekong is more than a water-highway; it's a unique pathway made by nature.

A Mekong river cruise on Scenic Spirit offers a luxurious floating window into another world that is exciting year-round. Each season presents its own advantages. The tropical climate of Cambodia and southern Vietnam means temperatures are always warm, which makes river cruising on Scenic Spirit even more appealing if you wish to have a nice cool spot in which to unwind after a day exploring onshore.

November to April

This is a popular time for river cruising on the Mekong. The weather is milder, humidity lower and temperatures cooler (however, still generally above 30 degrees Celsius). Water levels are generally lower but this is only a concern around Tonlé Sap in Cambodia meaning stilt villages may not have deep water around them.

Scenic offers 7-night river cruises on the Mekong from November to April.

May to October

These are the wetter and warmer months when the countryside transforms into a lush green wonderland (hence it is commonly known as the 'green season'). The landscape is at its most vibrant and fresh from the intermittent monsoons with fields of green rice fields. Water levels are higher and there are generally fewer travellers at this time. Rainfall is generally marked by short, intense afternoon showers that last less than an hour. In between these showers, the sun comes out allowing for normal touring opportunities. Once back on board, the blissfully cool Scenic Spirit is your sanctuary to relax and rest your tired feet.

Scenic offers 7- and 9-night river cruises on the Mekong from May to October.

No matter which season you choose to cruise the Mekong in, Scenic Spirit will be your 5-star floating oasis from which to base yourself.

As your 5-star boutique floating hotel cruises along the Mekong, you will gain a true insight into the history, culture and wildlife of the ancient lands that have built a life around these vital rivers.

Constant State of Flux

Our local Scenic offices monitor water levels closely to handle all navigation issues in a timely and efficient manner for minimal disruption. Our expertly trained captain and on board crew, along with our meticulously handcrafted itineraries, will ensure your cruise is as memorable and smooth sailing as possible.

Discover Hanoi, Hue & Hoi An

The Far North and Centre of Vietnam.

Hanoi, Sapa and Ninh Binh

Known for its French colonial buildings, laid-back pace, shop-lined streets, and compact bars and restaurants, Hanoi is a worthy capital city of Vietnam. From watching the endearing water puppet show, to whizzing through its busy night food markets on a Vespa, each day you spend here will be a day to cherish for a lifetime.

If you feel you want to explore beyond the capital city's historical treasures and quirky charm, you'll be pleased to know, Hanoi is also a jumping off point to Halong Bay as well as the French hill station of Sapa and Ninh Binh and Hoa Lu, known as the 'dry Halong'. The perfect options for extending your stay pre-tour in this vivacious South East Asian land.

Hoi An and Hue

For a quiet and relaxing break in Vietnam, you will love exploring the old cities of Hue and Hoi An and their many World Heritage Sites, located in the centre of Vietnam.

Hue, Vietnam's former capital, is known for its Perfume River, ancient palace and the mausoleums of the imperial dynasties that once ruled. In Hoi An, the blend of Japanese, Chinese and Vietnamese old world architecture will ensure that you capture your best travel photos in this old town. Shop in Hoi An's famous tailors and specialty art shops, relax along its charming river banks, and take a night-time stroll through its cute streets, lit with old-fashioned lanterns and strewn with pink bougainvillea flowers to truly experience this town that was forgotten by time.

"From the craziness and energy of Hanoi, the beauty of Halong Bay on the Au Co, the shopping sprees in Hoi An or Saigon, the magic of Scenic Spirit and its staff and finally the beauty of Angkor and the gala farewell. The people of Vietnam and Cambodia are so loving after having been through so much, their energy and vitality is so inspiring. We cannot not say anything else except Wow! Wow! Wow!"
