the GALÁPAGOS

An incredible "living museum" in one of the remotest places on Earth.

It's easy to understand why this was the first UNESCO World Heritage Site. Born from the layering and lifting of volcanic action in the middle of nowhere, and home to an astonishing 9,000 species of flora and fauna, the Galápagos is by far the strangest, most wonderful place on Earth.

Prepare to transform your idea of travel with Silversea's unique approach to this remarkable region. Over the past 10 years, our destination experts have perfected immersive and transformative itineraries, balancing incredible experiences ashore with enriching opportunities onboard and indulgences everywhere.

This winter 2025-26 collection introduces new departures of our highly popular 7-day itineraries, including more time on the iconic islands of Isabela and Fernandina, and new destination Isla Lobos, San Cristóbal – unlocking even better opportunities for snorkelling, paddleboarding, diving and birdwatching. Another new destination is Bahia Bowditch, with stunning coastal trails and the chance to swim with sea lions. Join us for a unique "safari at sea" with surprises along the way such as our unique S.A.L.T. dining experience, inside a lava tunnel!

Colourful, soulful, beautiful and diverse, South America boasts some of the world's most breathtaking wonders, such as the Chilean Fjords and Patagonian glaciers, and some of the most exotic cities. Our winter 2025-26 collection of voyages invites you on our most intimate ships to dive deeper into the heart of this captivating region, and uncover treasures many others voyages simply can't reach.

You'll visit iconic ports and gems inland for an in-depth immersion in the rich cultural variety of South America, exploring a blend of off-the-beaten-path destinations as well as famous sights, all the while enjoying the comfort and convenience of perfectly planned and expertly executed luxury travel arrangements.

Our new 22-day programmes on *Silver Whisper* will explore the east and west coasts between Valparaiso and Buenos Aires, combined a scenic cruise along the Antarctic Peninsula in search of wildlife, and landscapes coated in snow and ice. Our two 12-day itineraries on *Silver Whisper* offer longer stays in Rio de Janeiro and Buenos Aires. While *Silver Endeavour* will sail the shores of Chile to witness the breathtaking Chilean Fjords.
