Travel Director Tip

While visiting Siena, be tempted by a ricciarello. A local storyteller credits the Sienese Knight Ricciardetto for the shape of these cookies - a mini version of a sultan's slipper, a curious memory from his crusade. This almond paste biscuit will literally melt in your mouth.

Travel Director Tip

When in Killarney, try Murphy's handmade ice-cream, made using the wonderful milk of the rare indigenous Kerry cattle. To keep it even more local, try their Dingle Gin flavour ice-cream, which is laced with an extra taste of the region, courtesy of the artisan brewery down the road.

Travel Director Tip

In Switzerland, look for the simple but iconic Mondaine Clock in every railway station in the country. They are not just precise but also unique. The red second-hand circles the face in just 58-seconds, then does a 'two-heartbeat stop' before the next minute begins.

4 **Explore Ancient Dendera** Pay tribute to the Goddess Hathor at Dendera Temple, a soaring structure built around 330 BC. Beautifully preserved and elaborate in its design, every inch of this impressive sand-coloured structure is mesmerising and you'll see many of its halls, shrines and unique features such as the sun dial and replica Dendera zodiac, tracing the images of Taurus and Libra. You'll learn about Dendera's role as one of the major capitals of ancient Upper Egypt before sailing to Kom-Ombo for the night. **(B, L, D)**

5 **Journey to Aswan** Today, we travel to Aswan, which for centuries held the important strategic role of being Egypt's southern frontier and gateway to the rest of Africa. Today it is a tranquil, modern city, most known for its High Dam, Nubian villages and Philae Temple, built to honour Egyptian goddess Isis. We arrive just in time for dinner, watching the buzz of the city from the comfort of our boat as day turns to dusk and another wonderful day sailing along the Nile comes to a close. **(B, L, D)**

6 **The High Dam and More in Aswan** On your sightseeing visit to Aswan, you'll see first-hand how the ancient Egyptians could not have chosen a more stunning place to honour the goddess of love and you'll learn how the Temple of Isis on Philae Island was very nearly lost underwater when the Aswan Dam was built in the 1960s. Beyond the incredible beauty and tranquillity of this structure, you'll hear how Isis earned the title 'Mother of God' before your visit to the Unfinished Obelisk, which lies semi-carved from the solid bedrock and remains as a testament to Aswan's heritage as the centre for stone quarries in ancient Egypt. 8 **Off to Ancient Kom-Ombo** We visit the roofless Temple of Kom-Ombo, a highlight on our trip along the Nile, where we'll learn how the temple was built to honour two gods, Horus the Elder and Sobek. The Temple has a perfectly symmetrical design, the two sides a mirror of each other with one side dedicated to the crocodile god, the other to the falcon god. You'll learn all about the mythical link the two gods shared and why the Nile crocodile, which gathered in great numbers at this bend in the Nile, were of such importance to the ancient Egyptian priests. **(B, L, D)**

9 **Sail to Stunning Luxor** Watch how the river gives life to an arid landscape and the people who live within it as you sail down the Nile to Luxor, once an ancient Egyptian capital and today one of the world's most epic open-air museums. Every moment spent exploring the Valley of the Kings will leave you enthralled as you trace its many treasures, from the tomb of Tutankhamun to the temple complexes of Karnak and Luxor. You'll feel that same thrill the Egyptologists who first discovered what lay beyond these walls must have felt as they explored these incredible ancient sites. **(B, L, D)**

Before you travel: What you need to know

Included deposit protection

Book with confidence, thanks to our Deposit Protection included with every booking.

Should your plans change and you cancel your booking before final payment is due, you'll receive a credit of your initial deposit amount (up to A$200 per person, or if less than A$200, you'll receive the amount of the initial deposit) as a Travel Credit to use toward a future booking within 5 years^^.

Gold Seal Travel Protection

Trafalgar's Gold Seal Protection (GSP) plan costs only A$99 per person. Exclusively available at time of deposit, GSP gives you the additional peace of mind should your plans change. Here's what is covered:

Before your holiday

GSP allows you to cancel your Trafalgar holiday for any reason without penalty prior to 30 days from the start of your trip.

If no Force Majeure Event* has occurred when you cancel, the value of your Trafalgar Holiday Pre-payment** will be refunded; or if a Force Majeure Event* does occur causing you to cancel, the Trafalgar Holiday Pre-payment** will be converted to a Future Travel Credit (FTC) of the same value.

The FTC may be redeemed against the cost of a new holiday provided by Trafalgar or one of our Travel Corporation sister brands, departing at any time within 24 months of your cancellation but is not redeemable for cash. If the new trip or departure is more expensive than the FTC you are responsible for the difference in price; if the new trip or departure is less expensive than the FTC, a new FTC will be issued for the difference.

Airline travel costs and any related cancellation or rebooking costs are not covered by the Gold Seal Protection Plan.

Please note that the Gold Seal Protection plan cost is not refundable for any reason. Travel Agent fees and cancellation costs may apply.

**Trafalgar Holiday Pre-payment – means all monies paid to Trafalgar in respect of land arrangements only.

On your holiday

Should your holiday be interrupted and you leave at any time during the trip due to personal illness or injury; or be required to return to Australia because of the serious injury, illness or death of an immediate family member^:

(a) You will be refunded A$90 per person/per day for the unused portion of the holiday. Please note that in some cases hotels require a 1-night cancellation fee.

(b) Trafalgar will pay the additional cost of airline travel for earlier or later return to Australia in the same class of air travel on the first available flight, provided the original return air tickets were booked through Trafalgar from Australia on Trafalgar's recommended airline.

A medical certificate is required to qualify for this holiday interruption and return flight security provision.

*Force Majeure Event – means any event or circumstance beyond Trafalgar's control, including but not limited to: an act of God (such as earthquake, flood, fire, explosion, landslide, lightning, action of the elements, force of nature, washout, typhoon, hurricane, tsunami, storm or storm warning or natural disaster); industrial disputes, work ban or other labour dispute or difficulty; acts of terrorism, political unrest, war or threat of war, riots or civil strife; closure of airports or ports; pandemic, epidemic or health risk; governmental and administrative actions (including closure of borders and travel warning and restrictions).

^Immediate Family – means a parent, spouse, partner, sibling or child.
